Anything contained herein to the contrary notwithstanding, the following contracts will be exceptions to the provisions of Sections 2.3(a) and 2.3(b) above:

(i) Any contract with a utility company if the rates charged for the materials or services are subject to regulation by the South Carolina Public Service Commission; provided, however, that the term of the contract will not exceed the shortest term for which the utility will contract at the regulated rate in effect at the contract date;

2.4 Books and Records. The Association will keep full and accurate books of account and financial records showing all receipts and disbursements. In particular, the books will be maintained with a detailed account, in chronological order, of the receipts and expenditures affecting the Project and its administration, and specifying the maintenance and repair expenses of the Common Area as well as other expenditures incurred. Vouchers accrediting the entries made thereupon will also be maintained in chronological order.

The Association may charge reasonable copying costs for any requested copies or extracts. 2.7 Rules and Regulations. The Board of Directors will be entitled to promulgate reasonable Rules and Regulations from time to time, which will be binding on the Association and all Owners and lessees of Owners, their families, invitees and guests, regarding the use and enjoyment of Units and Common Areas. Copies of the current Rules and Regulations will be furnished to Owners and lessees of Owners upon request.

Such assessments will not be deemed a Common Expense hereunder.

2.10 Collections and Remission of Optional Cable Television, Telephone and Other Charges; Master Utility Charges. In the event the Association at any time secures any optional cable, telephone or other service, including broadband communications access, the Association will be entitled to collect fees charged to those Unit Owners who elect to receive such optional service made available to the Unit Owners through the Regime and remit the same to the provider thereof on behalf of such Unit Owners.

Such elective costs and expenses will not be deemed a Common Expense hereunder, but will be charged to the Units Owners separately from their Assessment. Furthermore, the Board of Directors will pay any master utility meter charge, base cable to all Units, or other blanket utility fee for services to all units not otherwise separately metered or charged to individual Units. Such master cost and expense will be a Common Expense hereunder; provided, however, in the event actual costs exceed the budgeted costs therefor, such unbudgeted excess may be prorated and charged to the Units Owners separately from their Assessment, and will not require payment thereof from any other budget line item surplus or a Special Assessment or other extraordinary measure of collection.

3. Property Rights.

3.1 Units. Each Unit will for all purposes constitute a separate parcel of real property which, subject to the provisions of this Master Deed, may be owned in fee simple and which may be conveyed, transferred, leased and encumbered in the same manner as any other real property. Each Owner, subject to the provisions of the Condominium Act and this Master Deed, will be entitled to the exclusive ownership and possession of his Unit.

3.2 Description of Units. The dimensions, area and location of the Units are as set forth on Exhibit "B" attached hereto and are generally intended to include the following: (a)  
Horizontal (Upper and Lower).

(i) The upper horizontal boundary of each Unit is the plane formed by the uppermost, unexposed surface of the wallboard or other material comprising a part of the ceiling in the uppermost story of the Unit.

(ii) The lower horizontal boundary of each Unit is the plane formed by the finished surface of the concrete slab or uppermost surface of the subflooring on which the lowermost story of the Unit is constructed.

(b) Vertical (Perimetric or Lateral). The vertical boundaries of each Unit are the planes formed by the outermost, unexposed surface of the wallboard or other surface comprising the perimeter walls enclosing the Unit.

(c) Units Deemed to Include. Notwithstanding the description of the boundaries set forth above, the Units shall be deemed to include the following: all portions of the plumbing, heating, electrical, and air conditioning systems (including furnaces, compressors, components, pipes, wires, conduits, ducts, and the like) serving only that Unit even if partially outside the boundaries of the Unit; all windows, glass surfaces, and doors (including window and door frames and the hardware thereof) serving the Unit; all window screens and screens on any screened balcony; and any fireplace or stove hearth, facing brick, tile or firebox; provided, however, that a Unit shall not include any of the structural components of the Building or utility or service lines within the Unit but serving more than one Unit. In interpreting deeds and plans, the existing physical boundaries of a Unit as originally constructed or of a Unit reconstructed in substantial accordance with the original plans thereof shall be conclusively presumed to be its boundaries rather than the metes and bounds expressed in any deed or plan, regardless of settling or lateral movement of the Building, and regardless of minor variance between the boundaries shown on the plans or in a deed and those of the Unit.

The ownership of each Unit shall include, and there shall pass with each Unit as an appurtenance thereto whether or not separately described in the conveyance thereof, that percentage of the right, title and interest in the Common Areas attributable to such Unit, together with membership in the Association and an undivided interest in the funds and assets held by the Association. Every portion of a Unit and all

Limited Common Area contributing to the support of an abutting Unit shall be burdened with an easement of support for the benefit of such abutting Unit.

3.3 Modification of Units. The Developer, on behalf of itself, its successors and assigns, hereby reserves the right to modify or reconstitute, at any time and from time to time, one or more Units owned by Developer or its affiliates without the consent of the Association or any Owner other than those who may be directly affected; provided, however, that the aggregate Percentage Interest assigned to the Units so affected will not change even though the same may be reallocated among such changed Units. If Developer makes any changes in Units pursuant to this Section 3.3, such changes will be reflected by an amendment of this Master Deed which will be duly recorded in the Horry County ROD. Such amendment will not require the consent of Owners other than the Developer.

3.4 Common Area and Limited Common Area.

(a) Percentage Interest. The Owners will own the Common Area as tenants-in-common, with each Unit having, appurtenant thereto, the Percentage Interest in the Common Areas set forth in Exhibit "C" attached hereto; provided, however, that the use of the Limited Common Area will be restricted as set forth in Section 3.4(e). The Percentage Interest appurtenant to each Unit has been determined by dividing the Assigned Value of the respective Unit as shown on Exhibit "C" by the aggregate Assigned Value of all Units as shown on Exhibit "C." The value assigned to any Unit in Exhibit "C" does not represent the sales price or market value of the Unit and will only be utilized for purposes of computing the Percentage Interest appurtenant to the respective Unit.

(b) Inseparability of Percentage Interests. The Percentage Interest in the Common Area cannot be separated from the Unit to which it appertains and will be automatically conveyed or encumbered with the Unit even though such Percentage Interest is not expressly mentioned or described in the deed or other instruments.

(c) No Partition. The Common Area will remain undivided and no right to partition the same or any part thereof will exist except as provided in the Condominium Act, the Bylaws and this Master Deed.

(d) Use of Common Area. The Common Area will be used in accordance with the intended purposes without hindering the exercise of or encroaching upon the rights of other Owners. The Board of Directors will, if any question arises, determine the purpose for which a part of the Common Area is intended to be used. All Owners and lessees of Owners, their families, invitees and guests will abide by all Rules and Regulations from time to time in effect governing the use of the Common Area.

(e) Use of Limited Common Area. Anything to the contrary contained herein notwithstanding, ownership of each Unit will entitle the Owner or Owners thereof to the exclusive use of the Limited Common Area adjacent and appurtenant to such Unit, which exclusive use may be delegated by such Owner to persons who reside in his Unit. All Owners and lessees of Owners, their families, invitees and guests will abide by all Rules and Regulations from time to time in effect governing the use of the Limited Common Area. An Owner will be responsible for maintenance and repair of the Limited Common Area appurtenant to his Unit as set forth in Section 8.3 below.

(f) Reservation of Easements and Use and Expansion Rights. The Common Areas will be subject to all easements and use rights, if any, reserved by the Developer hereunder and the right of the Developer to expand the regime by construction of additional Units pursuant to Section.

(i) Assigned Parking garages. Listed on Exhibit "C" is a schedule of the assigned parking garages constituting a Limited Common Area of the designated Unit. It is hereby noted that the parking garages shown and noted on the floor plans attached hereto as part of Exhibit "B" as "Parking Garage" with the last two digits of their numbers being 21 and 26 are each part of the Residential Units located above them and bearing Unit numbers with last digits ending in 21 and 26 respectively, and said garages are part of the Residential Unit above it and not a Limited Common Area hereof. Furthermore, the "Parking Garages" with the last digits of their numbers being 12 and 15 are each part of the Residential Units located adjacent to them and bearing Unit numbers with last digits ending 12 and 15, respectively, and said garages are part of the Residential Unit adjacent to it and not a Limited Common Area.

3.5 Status of Title of Project. The Developer represents to the Association and all the Owners that, as of the effective date hereof, the Developer has marketable, fee simple title to the Project. The rights and interests of all Owners in and to the Project will be subject only to (i) liens for real estate taxes for the current year and subsequent years; (ii) existing and/or recorded easements, conditions, covenants, declarations, reservations and restrictions including, without limitation, those set forth in this Master Deed; (iii) easements and use rights, if any, reserved by the Developer hereunder; and (iv) applicable governmental regulations, including zoning laws, which may be imposed upon the Project from time to time.

3.6 Limited Warranty From Developer. FOR A PERIOD OF ONE (1) YEAR FROM THE DATE OF COMPLETION OF CONSTRUCTION (BEING THE LATER OF SUBSTANTIAL COMPLETION UNDER THE CONSTRUCTION CONTRACT, OR THE DATE A CERTIFICATE OF OCCUPANCY IS ISSUED THEREFOR), THE DEVELOPER SHALL AT NO COST TO THE ASSOCIATION REPAIR OR REPLACE (IN THE DEVELOPER'S DISCRETION) ANY PORTIONS OF THE COMMON AREA (EXCEPT FIXTURES, ACCESSORIES AND APPLIANCES COVERED BY SEPARATE WARRANTIES OF THEIR RESPECTIVE MANUFACTURERS) WHICH ARE DEFECTIVE AS TO MATERIALS OR WORKMANSHIP. THIS LIMITED WARRANTY IS IN PLACE OF ALL OTHER CONTRACTUAL OBLIGATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AND THE DEVELOPER DISCLAIMS ALL OTHER CONTRACTUAL OBLIGATIONS OR WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF HABITABILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TO THE FULLEST EXTENT PERMITTED BY LAW, THE LIABILITY OF THE DEVELOPER SHALL BE LIMITED TO SUCH REPAIR OR REPLACEMENT AND THE DEVELOPER SHALL NOT BE LIABLE FOR DAMAGES OF ANY NATURE, WHETHER DIRECT, INDIRECT, SPECIAL OR CONSEQUENTIAL, REGARDLESS OF WHETHER SUCH DAMAGES ARE CLAIMED TO ARISE OUT OF THE LAW OF CONTRACT, TORT OR OTHERWISE, OR PURSUANT TO STATUTE OR ADMINISTRATIVE REGULATION. Each Owner, in accepting a deed from the Developer or any other party to a Unit, expressly acknowledges and agrees that this Section 3.6 establishes the sole liability of the Developer to the Association and the Owners related to defects in the Common Area and the remedies available with regard thereto. At the end of the one (1) year warranty period referred to hereinabove in this Section 3.6, the Developer will assign to the Association in writing all of its rights, claims, causes of action and demands which it has or which may thereafter accrue against all other people who may be responsible for the design and/or construction of the Common Area.

#### 4. Assessments.

4.1 Creation of Lien and Personal Obligation for Assessments. Each Unit is and will be subject to a lien and permanent charge in favor of the Association for the Assessments set forth herein. Each Assessment, together with interest thereon and cost of collection thereof as hereinafter provided, will be a permanent charge and continuing lien upon the Unit against which it relates, and will also be the

joint and several personal obligation of each Owner of such Unit at the time the Assessment comes due and upon such Owner's successor in title if unpaid on the date of the conveyance of such Unit, and each and every Owner by acquiring or holding an interest in any Unit thereby covenants to pay such amounts to the Association when the same will become due; provided, however, that no Owner acquiring title to any Unit at a foreclosure sale of any Institutional Mortgage, his successors and assigns, will have any personal obligation with respect to the portion of any Assessments (together with late charges, interest, fees and costs of collection) related to such Unit, the lien for which is subordinate to the lien of the Institutional Mortgage being foreclosed as provided in Section 4.8.

4.2 Annual Assessments. At least thirty (30) days prior to the Association's next succeeding Annual Assessment Period the Board will adopt a budget for the next succeeding Annual Assessment Period by estimating the Common Expenses to be incurred during such Annual Assessment Period, including a reasonable allowance for contingencies and operating and replacement reserves, such budget to take into account the projected anticipated income which is to be applied in reduction of the amount to be collected as an assessment. Upon adoption of the budget, a copy thereof will be delivered to each Owner. The Annual Assessment fixed against each Unit will be based upon said budget and in proportion to the respective Percentage Interests of each Unit subject to assessment, and the Board will give written notice to each Owner of the Annual Assessment fixed against his Unit for such next succeeding Annual Assessment Period; provided, however, the delivery of a copy of said budget will not be a condition precedent to an Owner's liability for payment of such Annual Assessment. In fixing the annual budget, the Board of Directors shall first contract for the performance of an annual maintenance audit by a professional inspector and shall reflect such inspector's recommendation's in the Board's adopted annual budget. The Board shall not be relieved of its duty to contract for an annual maintenance audit by virtue of the Developer's inspections pursuant to Section 11.5 below

The Annual Assessment will not be used to pay for the following:

- (a) Casualty insurance of individual Owners on their possessions within the Units and liability insurance of such Owners insuring themselves and their families individually, which will be the sole responsibility of such Owners;
- (b) Ad valorem taxes assessed against Units;
- (c) Other charges or expenses related solely to individual use or occupancy of any Unit; or
- (d) Assessments charged directly to Owners by the Master Association pursuant to the Declaration of Covenants, Conditions and Restrictions for Barefoot Resort Residential Properties, to which the Regime is subject.

It is anticipated that ad valorem taxes and other governmental assessments, if any, upon the Project will be assessed by the taxing authority upon the Unit, and that each assessment will include the assessed value of the Unit and of the undivided interest of the Owner in the Common Area; provided, however, that for the current calendar year, the ad valorem taxes will be based upon the condition of the Land as of January 1, and the Developer will be liable for that portion of the taxes applicable to the period prior to the recordation of this Master Deed. When current ad valorem taxes are due and payable, the remainder of the ad valorem taxes for the current calendar year will be prorated between the Developer and each Owner based upon the Owner's Percentage Interest and based upon the number of days each owned the Unit as evidenced by the date of the Unit Deed. Any such taxes and governmental assessments upon the Project which are not so assessed will be included in the Association's budget as a recurring expense and will be paid by the Association as a Common Expense. Except as otherwise provided herein,

each Owner is responsible for making his own return of taxes and such return will include such Owner's undivided interest in the Common Area as such undivided interest is determined by law for purposes of returning taxes.

4.3 Rounding. Annual Assessments charged by the Association will be rounded off to the nearest dollar.

4.4 Special Assessments. In addition to the Annual Assessments, the Board of Directors may levy in any calendar year "Special Assessments" for the purpose (i) of supplementing the Annual Assessments if the same are inadequate to pay the Common Expenses and (ii) of defraying, in whole or in part, the cost of any reconstruction, repair, or replacement of the Common Area; provided, however, that any such Special Assessment which in the aggregate exceeds twenty percent (20%) of the total Annual Assessments for such year will have the approval of Members therefor by a majority of the votes cast by written ballot or in person or by proxy at a meeting at which a quorum is present, duly called for the express purpose of approving such Special Assessment.

4.5 Date of Commencement of Annual Assessments; Due Dates. Although the Annual Assessment is calculated on a yearly basis for the Annual Assessment Period, each Owner of a Unit will be obligated to pay to the Association or its designated agent such Assessment in advance in monthly, quarterly, semi-annual or annual installments as established by the Board. An installment shall be due and payable on the due date established by the Board, but in the absence of any such specific due date, the installment shall be due and payable in full on or before the last day of the month in which the Assessment is billed.

The obligations of Owners regarding the payment of monthly portions of the Annual Assessment provided for in this Section 4 will, as to each Unit, commence upon the recording of this Master Deed. The first monthly payment of the Annual Assessment for each such Unit will be an amount equal to the monthly payment for the Annual Assessment Period in progress on such commencement date, divided by the number of days in the month of conveyance, and multiplied by the number of days then remaining in such month.

The Association will, upon demand at any time, furnish any Owner liable for any such Assessment a certificate in writing signed by an Officer of the Association or the property manager of the Association, setting forth whether the same has been paid. A reasonable charge, as determined by the Board, may be made for the issuance of such certificate. Such certificate will be conclusive evidence of payment of any Assessment stated to have been paid as to any person or entity who has relied on the certificate to his detriment.

4.6 Effect of Non-Payment of Assessment; the Personal Obligation of the Owner; the Lien; Remedies of Association.

(a) If an Assessment is not paid on the date when due, as hereinabove provided, then such Assessment together with such late charges and interest thereon and any costs of collection thereof as hereafter provided, will be a charge and continuing lien on the Unit to which it relates, and will bind such property in the hands of the Owner, his heirs, legal representatives, successors, and assigns. The personal obligation of the then Owner to pay such Assessment, however, will remain his personal obligation, and if his successors in title assume his personal obligation, such prior Owner will nevertheless remain as fully obligated as before to pay to the Association any and all amounts which he was obligated to pay immediately preceding the transfer. Furthermore, such prior Owner and his successor in title who assumes such liabilities will be jointly and severally liable with respect thereto, notwithstanding any agreement between such prior Owner and his successor in title creating the

relationship of principal and surety as between themselves, other than one by virtue of which such prior Owner and his successor in title would be jointly and severally liable to pay such amounts.

(b) Any Assessment shall be due in full not later than the last day of the month in which the Assessment is billed, and any Assessment or portions thereof which is not paid when so due will be delinquent. Any delinquent Assessment will incur a late charge in an amount as may be determined by the Board from time to time and, upon adoption of a policy therefor by the Board of Directors, will also commence to accrue simple interest at the rate set by the Board of Directors from time to time. A lien and equitable charge as herein provided for each Assessment installment shall attach simultaneously as the same will become due and payable, and if an Assessment installment has not been paid as aforesaid, the entire unpaid balance of the Assessment installments for the Annual Assessment Period then in effect remaining to be paid during the fiscal year may be accelerated by the option of the Board and be declared due and payable in full.

(c) The Association may bring legal action against the Owner personally obligated to pay the same or foreclose its lien against the Unit to which it relates or pursue both such courses at the same time or successively. In any event, the Association will be entitled also to recover reasonable attorney's fees actually incurred and all other costs of collection. Each Owner, by his acceptance of a deed or other transfer of a Unit, vests in the Association or its agent the right and power to bring all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien in any appropriate proceeding at law or in equity. All Owners, to the fullest extent permitted by law, waive the right to assert any statute providing appraisal rights which may reduce any deficiency judgment obtained by the Association against any Owner in the event of such foreclosure and further, waive all benefits that might accrue to any Owner by virtue of any present or future homestead exemption or law exempting any Unit or portion thereof from sale. If the Association commences to foreclose its lien, the Owner may be required to pay a reasonable rental for the Unit after the commencement of the action and at its option the Association will be entitled to the appointment of a receiver to collect such rents. The Association will have the power to bid on the Unit at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. No Owner may be relieved from liability from the Assessment provided for herein by abandonment of his Unit or otherwise.

(d) During any period in which an Owner will be in default in the payment of any Annual or Special Assessment levied by the Association, the voting rights of the Owner and the rights of the Owner and lessees of the Owner, their families, invitees and guests, to use and enjoy the recreational areas of the Common Area may be suspended by the Board of Directors until such time as the Assessment has been paid.

4.7 Developer's Unsold Units. Anything contained in this Section 4 to the contrary notwithstanding, so long as the Developer owns any Unit for sale, the Developer may annually elect either to pay the regular Assessment for each such Unit or to pay the difference between the amount of Assessments collected on all other Units not owned by the Developer and the sum of (a) the amount of actual operating expenditures by the Association during the fiscal year, and (b) the amount of reserves budgeted to be funded during the year, but not in a sum greater than its regular Assessment. Unless the Developer otherwise notifies the Board in writing at least sixty (60) days before the beginning of each fiscal year, the Developer will be deemed to have elected to continue paying on the same basis as during the immediately preceding year. Furthermore, so long as the Developer owns any Unit for sale, the Developer may, but will not be obligated to, reduce the regular Assessment for any year to be paid by Owners of Units, which may be a contribution to the Association, an advance against future regular Assessments due from said Owners, or a loan to the Association, in the Developer's sole discretion. The amount and character (contribution, advance or loan) of such subsidy will be conspicuously disclosed as a line item in the budget and will be made known to the Owners. The payment of such a subsidy in any

year will under no circumstances obligate the Developer to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and the Developer.

#### 4.8 Subordination of the Charges and Liens to Institutional Mortgages.

(a) The lien and permanent charge for the Assessments (together with late charges, interest, fees and cost of collection) authorized herein with respect to any Unit is hereby made subordinate to the lien of any holder of an Institutional Mortgage or his assigns placed on such Unit, and all Assessments with respect to such Unit having a due date on or prior to the date such Institutional Mortgage is filed for record have been paid. The lien and permanent charge hereby subordinated is only such lien and charge as relates to Assessments authorized hereunder having a due date subsequent to the date such Institutional Mortgage is filed for record and prior to the satisfaction, cancellation or foreclosure of such Institutional Mortgage.

(b) Such subordination is merely a subordination and will not relieve the Owner of the mortgaged Unit of his personal obligation to pay all Assessments coming due at a time when he is the Owner; will not relieve such Unit from the lien and permanent charge provided for herein (except as to the extent the subordinated lien and permanent charge is extinguished against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure); and no sale or transfer of such Unit to the Mortgagee or to any other person pursuant to a foreclosure sale will relieve any previous Owner from liability for any Assessment coming due before such sale or transfer.

(c) To the extent any subordinated lien and permanent charge for any Assessment is extinguished by foreclosure of any Institutional Mortgage, then the amount or amounts otherwise secured thereby which cannot otherwise be collected will be deemed a Common Expense collectible from all Owners, including the person who acquires title through the foreclosure sale.

4.9 Reserves. The Board of Directors will establish and maintain an adequate reserve fund for the periodic repair and replacement of the Common Area. The Board of Directors will include amounts needed to maintain an adequate reserve fund in its estimation of the Common Expenses for each fiscal year and will cause deposits to the reserve fund to be made in connection with the collection of the Annual Assessment.

4.10 Working Capital Collected at Initial Closing. Notwithstanding anything to the contrary in this Master Deed, a working capital fund will be established for the Association by collecting from each Owner who acquires title to his Unit from the Developer a working capital amount equal to 2/12ths of the Annual Assessment then in effect, which Assessment will be due and payable at the time of transfer of each Unit by the Developer to any other Owner. Each such Owner's share of working capital, as aforesaid, will be transferred to the Association at the time of closing the conveyance from the Developer to the Owner. Such sum is and will remain separate and distinct from the Annual Assessment and will not be considered advance payment of the Annual Assessment. The working capital receipts may be used by the Association in covering operating expenses as well as any other expense incurred by the Association pursuant to this Master Deed and the Bylaws.

#### 5. Insurance and Casualty Losses.

##### 5.1 Hazard Insurance.

(a) The Association will obtain, maintain and pay the premiums, as a Common Expense, upon a "master" or "blanket" type policy or policies of property insurance covering the entire Project, except (i) land, foundation, excavation, or other items normally excluded from coverage; (ii) all

improvements and betterment made to Units by Owners at their expense; and (iii) personal property of Owners and lessees of Owners, their families, invitees and guests. Such coverage will also insure supplies, equipment and other personal property of the Association. All policies of property insurance will be single entity condominium insurance coverage. The master insurance policy will afford, at a minimum, protection against loss or damage by fire and other perils normally covered by standard extended coverage endorsements; and all other perils which are customarily covered with respect to condominium projects similar in construction, location and use, including all perils normally covered by a standard "all risk" endorsement, where such is available. The policy will be in an amount equal to one hundred (100%) percent of the current replacement cost of the Project, exclusive of land, foundations, excavation, and other items normally excluded from coverage. A "deductible amount" not to exceed the lesser of \$10,000 or one percent (1%) of the policy face amount may be included at the discretion of the Board of Directors if available and if a material savings, as determined by the Board in its sole discretion, in premium cost results therefrom, but the deductible amount will be considered a Common Expense and borne by the Association regardless of the number of Owners directly affected by the loss and reserves will be established therefor.

(b) The name of the insured under the master policy will be substantially as follows: "The Harbour Cove Condominium Association for the use and benefit of the Individual Owners of Units in The Harbour Cove Horizontal Property Regime." Loss payable provisions will be in favor of the Association and the Trustee, as a trustee for each Owner, and each such Owner's Mortgagee as the interests of such parties may appear. Each Owner and his respective Mortgagee, if any, will be beneficiaries of the policy in a percentage equal to the Percentage Interest attributable to the Unit owned by such Owner. All policies will contain a standard mortgagee clause, or equivalent endorsement (without contribution), which is commonly accepted by Institutional Mortgage investors in the area in which the Project is located, and which appropriately names all Mortgagees or their servicer in such form as requested by such Mortgagees or their servicer.

(c) All policies will be written with a company holding a general policyholder rating of "A" or better by Best's Insurance Reports and in a financial category of Class VI or better in Best's Key Rating Guide. Policies are unacceptable where (i) under the terms of the insurance carrier's charter, bylaws or policy, contributions or assessments may be made against the Association, Owners, Mortgagees or the designees of Mortgagees; (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by the carrier's board of directors, policy holders or members; or (iii) the policy includes any limiting clause (other than insurance provisions) which could prevent Mortgagees or Owners from collecting insurance proceeds. Policies may not be cancelable or substantially modified by any party without at least ten (10) days prior written notice to the Association and each Mortgagee which is listed as a scheduled holder of a first Mortgage in the insurance policy. Policies should also contain a "special condominium endorsement" or its equivalent which provides for the following: recognition of any insurance trust agreement; a waiver of the rights of subrogation against Owners individually; the insurance is not prejudiced by any act or negligence of individual Owners which is not under the control of the Association or such Owners collectively; and the policy is primary in the event the Owner has other insurance covering the same loss.

(d) The Association will provide to Owners and/or Mortgagees requesting the same in writing a certificate of insurance, or a copy of the certificate of insurance, for the Regime, for which the Association may charge reasonable copying costs.

(e) Each Owner may obtain additional insurance at his own expense; provided, however, that no Owner will be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Association, on behalf of all of the Owners and their Mortgagees, may realize under any insurance policy which the Association may have in force on the Project at any

particular time. Any diminution in insurance proceeds otherwise payable under the Association's policies that results from the existence of any Owner's policy will be chargeable to the Owner who acquired such other insurance. Any Owner who obtains an individual insurance policy covering any portion of the Project, other than the personal property belonging to such Owner, will file a copy of such policy with the Association within thirty (30) days after purchasing such insurance. Each Owner, at his own expense, may obtain on his Unit or the contents thereof, title insurance, homeowner's liability insurance, theft and other insurance covering improvements, betterment and personal property damaged and lost. In addition, risk of loss with respect to any improvements made by an Owner within his Unit shall be that of the Owner. Betterments coverage or "improvements insurance" shall be secured solely by an Owner wishing such coverage of his risk of loss, and the Association shall have no liability therefor.

5.2 Liability Insurance. The Association will obtain, maintain and pay the premiums, as a Common Expense, upon a policy of comprehensive general liability insurance coverage covering at a minimum all of the Common Area. Coverage limits will be in amounts generally required by private Institutional Mortgage holders for projects similar in construction, location and use to the Project; provided, however, that such coverage will be for at least \$1,000,000 for bodily injury, including death of persons, and property damage arising out of a single occurrence. Coverage under this policy will include, without limitation, legal liability to the insured for property damage, bodily injury and death of persons in connection with the operation, maintenance and use of the Common Area and legal liability arising out of law suits related to employment contracts in which the Association is a party. If the policy does not include "severability of interest" in its terms, an endorsement will be included which precludes the insurer's denial of the claims of an Owner because of the negligent acts of the Association or another Owner. Such policy must provide that it cannot be canceled or substantially modified, by any party, without at least thirty (30) days prior written notice to the Association and each Mortgagee listed as a scheduled holder of a first Mortgage in the insurance policy.

5.3 Fidelity Bonds and Other Insurance. The Association will obtain, maintain and pay the premiums, as a Common Expense, upon a blanket fidelity bond for all officers, directors, trustees and employees of the Association and all other persons handling or responsible for funds belonging to or administered by the Association, including any professional management company assisting with the administration of the Regime. The total amount of the fidelity bond coverage required will be based upon the best business judgment of the Board of Directors and will not be less than the estimated maximum funds, including reserve funds, in the custody of the Association or a professional management company, as the case may be, at any given time during the term of each bond; provided, however, that in no event will the aggregate amount of such bonds be less than a sum equal to 2/12ths of the total Annual Assessments plus reserve funds. Fidelity bonds will meet the following requirements: the Association will be named as an obligee; the bonds will contain waivers of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions; and the bond will provide that it may not be canceled or substantially modified (including cancellation for nonpayment of a premium) without at least ten (10) days prior written notice to the Association and each Mortgagee listed as a scheduled holder of a first Mortgage in the fidelity bond.

The Association will obtain, maintain and pay the premiums, as a Common Expense, on a policy of directors and officers liability insurance in such amounts as determined by the Board of Directors.

The Board of Directors will be authorized on behalf of the Association to obtain and maintain such other and further insurance as the Board of Directors may determine from time to time.

5.4 Authority to Adjust Loss. The exclusive authority to negotiate, settle and otherwise deal in all respects with insurers and adjust all losses under policies provided for herein will be vested in the Board of Directors or its duly authorized agent for the benefit of all Owners and Mortgagees; provided,

however, that all Owners and Mortgagees having an interest in such loss will be advised in advance of all actions anticipated to be taken of a material nature related to the adjustment of the loss. Each Owner, in accepting a deed to a Unit, expressly appoints the directors, and each of them, his due and lawful attorneys-in-fact, with full power of substitution, to act on behalf of the Owner as fully as the Owner could act in person on all matters related to the authority granted in this Section 5.4, including executing all documents required in connection therewith on behalf of the Owner.

#### 5.5 Trustee.

(a) The Board of Directors may, from time to time, designate a third party Trustee hereunder. The Trustee, whether the Board of Directors acting in said capacity, or a third-party designated by the Board, will serve the Association and the Owners and their Mortgagees (as their interests may appear) as provided herein. Any third-party Trustee, but not the Board of Directors acting in such capacity, will be entitled to receive reasonable compensation for services rendered which will be a Common Expense of the Association.

(b) All insurance policies obtained by the Association will name the Association and the Trustee as loss payees. Immediately upon the receipt by the Association of any insurance proceeds, the Association will endorse the instrument by means of which such proceeds are paid and deliver the instrument to the Trustee. The Trustee will not be liable for payment of premiums, for the renewal or the sufficiency of the policies or for the failure to collect any insurance proceeds. Nor will the Trustee have any obligation to inspect the Project to determine whether a loss has been sustained or to file any claim or claims against any insurer or any other person.

(c) Among other things, the duties of the Trustee will be to receive proceeds delivered to it, hold such proceeds in trust for the benefit of the Owners and their Mortgagees, and disburse the proceeds as hereinafter provided.

(d) Proceeds of insurance policies received by the Trustee will be disbursed as follows:

(i) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purposes, will be disbursed in payment for such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs will be paid to the Association for the benefit of all Owners and their Mortgagees, if any;

(ii) If it is determined, as provided in Section 5.6, that the damage or destruction for which the proceeds are paid will not be repaired or reconstructed, such proceeds will be disbursed to such persons as therein provided;

(iii) Any and all disbursements of funds by the Trustee for any purpose whatsoever will be made pursuant to and in accordance with a certificate of the Association signed by the President and attested by the Secretary directing the Trustee to make the disbursements;

(iv) If the damage or destruction is to the Common Area and is to be repaired or reconstructed, two days prior written notice of each disbursement will be given to the Mortgagee known by the Trustee from the records of the Association to have the largest interest in or lien upon such Common Area; and if the damage or destruction is to one or more Units and is to be repaired or reconstructed, said notice will also be given to the Mortgagee or Mortgagees known to the Trustee from the records of the Association to have an interest in or lien upon such Unit or Units.

(e) The Trustee will not incur liability to any Owner, Mortgagee or other person for any disbursements made by it in good faith pursuant to and in accordance with the foregoing requirements.

#### 5.6 Damage and Destruction.

(a) Immediately after all or any part of the Project covered by insurance is damaged or destroyed by fire or other casualty, the Board of Directors or its duly authorized agent will proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section 5.6, means repairing or restoring the damaged property to substantially the same conditions in which it existed prior to the fire or other casualty, with each Unit and the Common Area having the same vertical and horizontal boundaries as before.

(b) Any such damage or destruction to the Project will be repaired; provided, however, that any such damage which requires the reconstruction of the whole or more than two-thirds ( $\frac{2}{3}$ ) of the Project will not be undertaken unless sixty-seven percent (67%) of the Members agree, voting in person or by proxy at a meeting at which a quorum is present, duly called, in whole or in part, for the purpose of disapproving such repair or reconstruction. If the Project is not reconstructed, all insurance proceeds will be delivered in accordance with the provisions of Section 5.6(c) below. Except as otherwise provided, any such damage or destruction which renders any Unit untenable or uninhabitable, or any such damage or destruction to the Common Area, will be repaired and reconstructed as promptly as practicable. No Mortgagee will have any right to restrict the use of insurance proceeds otherwise available for repair, reconstruction or rebuilding.

(c) In the event that it is determined by the Association in the manner prescribed above that the damage or destruction will not be repaired, reconstructed or rebuilt, then and in that event:

- (i) The Project will be owned by the Owners as tenants-in-common;
- (ii) The undivided interest in the Project of each Owner will be a percentage equal to the Percentage Interest appurtenant to the Unit theretofore owned by the Owner;
- (iii) All liens affecting any of the Units will be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owners of the respective Units;
- (iv) The Project will be subject to an action for partition at the instance of any Owner, in which event the net proceeds of the sale will be deposited with the Trustee;
- (v) The Association will proceed to satisfy all of its liabilities and convert all of its assets to cash which will be deposited with the Trustee;
- (vi) The proceeds from the sale of the Project, the liquidation of the assets of the Association and the insurance proceeds related to the damage or destruction to the Project will be considered one fund which, after paying the reasonable expenses of the Trustee, will be distributed to all the Owners and their respective Mortgagees as their interests may appear in percentages equal to the Percentage Interests of said Owners. Distributions to such Owners and their Mortgagees will be made pursuant to certificates provided for in Section 5.5

#### 5.7 Insufficient Proceeds to Repair.

(a) If the damage or destruction for which the insurance proceeds are paid to the Trustee is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, or if no insurance proceeds exist with respect to such damage or destruction, the Board of Directors will levy an Assessment against the Owners of damaged or affected Units in sufficient amounts to provide funds to pay costs in excess of insurance proceeds for repair or reconstruction. Additional Assessments may be made at any time during or following the completion of any repair or reconstruction. That portion of such Assessments levied against each Owner will be equal to that percentage computed by dividing the Percentage Interest appurtenant to such Owner's Unit by the aggregate Percentage Interests appurtenant to all Units damaged or affected.

(b) Any and all sums paid to the Association under and by virtue of those Assessments provided for in Paragraph (a) of this Section 5.7 will be deposited by the Association with the Trustee. Such proceeds from insurance and Assessments, if any, received by the Trustee will be disbursed as provided in Section 5.5.

## 6. Condemnation.

6.1 General. Whenever all or any part of the Project will be taken by any authority having the power of condemnation or eminent domain, each Owner will be entitled to notice thereof; provided, however, that the exclusive right to negotiate, settle and otherwise deal in all respects with the condemning authority as to the taking of the Common Area will be vested in the Board of Directors or its duly authorized agent on behalf of the Association. Each Owner, in accepting a deed to a Unit, expressly appoints the directors, and each of them, his due and lawful attorneys-in-fact, with full power of substitution, to act on behalf of the Owner as fully as the Owner could act in person in all matters related to the authority granted in this Section 6.1, including executing all documents required in connection therewith on behalf of the Owner. The award made for such taking will be payable to the Trustee. Unless otherwise required by law at the time of such taking, any award made therefor will be disbursed by the Trustee, as hereinafter provided in this Section 6.

6.2 Non-Essential Areas. If the taking does not include any portion of any Unit or any portion of the Common Area essential to the continued occupancy of any Unit, then the Board of Directors will be permitted to replace any nonessential improvements to the extent deemed appropriate and the Trustee will disburse the proceeds of such awards in the same manner as hereinabove provided for and in connection with the repair, reconstruction or rebuilding of improvements after damage or destruction, with all excess proceeds to be distributed to the Association.

6.3 Essential Areas. If the taking includes any portion of a Unit or the Common Area essential to the use of any Unit, then the award will be disbursed, and all related matters, including, without limitation, alteration of the Percentage Interests appurtenant to each Unit, will be handled, by (i) the Developer, for so long as the Developer has the right to appoint and remove any member or members of the Board of Directors or any officer or officers of the Association, and (ii) thereafter, the Board of Directors in a just and equitable manner to all Owners; provided, however, that all action of the Board of Directors will be pursuant to and in accordance with a plan approved by Members representing at least sixty-seven (67%) percent of the total votes of the Association voting in person or by proxy, at a meeting at which a quorum is present, duly called, in whole or in part, for the purpose of approving such in a duly recorded amendment to this Master Deed. In the event that such an amendment will not be recorded within ninety (90) days after the taking, then such taking will be deemed to be and will be treated as damage or destruction which will not be repaired or reconstructed as provided for in Section 5.6, whereupon the Regime will be terminated in the manner therein prescribed.

## 7. Architectural Control.

7.1 Approval Required for Unit Changes and Viewable Interior Features. To preserve the original architectural appearance of the Project, after the purchase of a Unit from the Developer, its successors or assigns, no exterior construction of any nature whatsoever, except as specified in the Regime Documents, will be commenced or maintained upon the Building, including without limitation, a Limited Common Area, nor will there be any change, modification or alteration of any nature whatsoever of the design and appearance of any of the exterior surfaces or facades, nor will any Owner paint any gate, fence or roof, nor will any Owner change the design or color of the exterior lights, nor will any Owner install, erect or attach to any part of the exterior any addition or change until after the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same will have been submitted to and approved in writing as to harmony of exterior design, color and location in relation to the surrounding structures by the Board of Directors. Furthermore, such required approval by the Board of Directors shall extend to any interior features or aesthetic elements which may be viewed from outside of a Unit in which the same is located. The failure of an Owner to secure the required approval of the Board of Directors as aforesaid, or to take such action, remedial or otherwise, as the Board shall at any time determine to be required hereunder shall be subject to the authority and enforcement powers of the Board as set forth in Section 18.5(a) below. The Board of Directors may delegate the architectural review functions to a committee, but enforcement of all violations shall remain with the Board of Directors.

8. Maintenance.

8.1 Responsibility of Association. Except as specifically provided to the contrary herein, the Association will maintain the Common Area in first class condition in accordance with proper maintenance procedures applicable thereto and will enforce all warranties with respect to the Common Area. In addition, the Association will repair or replace all parts of the Common Area as necessary. Except as otherwise provided herein, the cost of such will be charged to the Owners as a Common Expense.

8.2 Access to Units. The Association will have the irrevocable right, to be exercised by the Board of Directors or its agent, to have reasonable access to each Unit from time to time as may be necessary for the inspection, maintenance, repair or replacement of any of the Common Area accessible therefrom, or for making emergency repairs therein necessary to prevent damage to the Common Area or to other Units.

8.3 Responsibility of Owner. In the event that the Board of Directors should determine that the need for maintenance or repairs by the Association as provided for in this Section 8 is caused through the willful or negligent act of an Owner or the lessee of an Owner, their families, invitees or guests, or the Owner's pets, the cost of which is not covered or paid for by insurance, then the cost, both direct and indirect, of such maintenance or repairs will be added to and become a part of the Assessment to which such Owner and his Unit are subject. Each Owner will maintain, repair or replace at his own expense all portions of his Unit which may become in need thereof, including the heating and air-conditioning system for such Unit, all bathroom and kitchen fixtures and appliances, light fixtures, interior non-load-bearing walls, carpeting, drapes, doors, windows, screens, window and door hardware, and other items within the Unit. Further, each Owner will, at his own expense, maintain, repair and replace, when necessary, that portion of the heating and air-conditioning system exclusively servicing his Unit which is located outside his Unit. Each Owner will, at his own expense, keep the Limited Common Area to which his Unit has exclusive access and to which he has exclusive use clean and neat, and will conduct maintenance and repair thereto as necessary. If the Owner does not make those repairs required to be made by him within thirty (30) days from the date of receipt of written demand from the Association, the same may be repaired by the Association and the cost thereof will be assessed against the Owner and Unit owned by such Owner.

9. Access, Ingress and Egress. All Owners, by accepting title to a Unit, waive all rights of uncontrolled and unlimited access, ingress, and egress to and from such property and acknowledge and agree that such access, ingress, and egress will be limited to roadways, sidewalks and walkways located within the Project from time to time, provided that pedestrian and vehicular access to and from all such property will be provided at all times.

9.1 Developer's Right to Develop. Notwithstanding anything herein contained to the contrary, the Developer hereby reserves unto itself, its successors and assigns, the right of unobstructed and uncontrolled passage of construction vehicles for persons engaged in both infrastructure and building construction activities. The within right, if exercised, will be limited to the hours of 6 a.m. to 6 p.m. and will terminate upon expiration of the Transition Period.

10. Unit Restrictions.

10.1 Residential Units. All Residential Units will be, and the same are hereby restricted exclusively, for residential use, provided, however, a Residential Unit may be used as a combined residence and executive or professional office by the Owner thereof so long as such use does not interfere with the quiet enjoyment by other Owners and does not include visitation by clients, or unreasonable levels of mail, shipping, storage or trash requirements. No immoral, improper, offensive or unlawful use will be made of any Residential Unit and no use or condition will be permitted which is a source of unreasonable noise or interference with the peaceful possession and quiet enjoyment of any other portion of the Project by other Owners or lessees of Owners, their families, invitees and guests. All Residential Units will be kept in a clean and sanitary condition and no rubbish, refuse or garbage will be allowed to accumulate. No fire hazard will be allowed to exist and no use or condition will be permitted which will increase any rate of insurance related to the Project. In addition, all Owners and lessees of Owners, their families, invitees and guests will abide by all Rules and Regulations in effect from time to time governing the use of Residential Units.

10.2 Non-residential Units. All Non-residential Units will be, and the same are hereby restricted exclusively, for non-residential use as a storage and staging area for the conduct of a rental management and cleaning service operation at the Project by the Owner or occupant thereof. A Non-residential Unit shall not be occupied as living quarters. A Non-residential Unit may be occupied during normal business hours as a small office for the conduct of such rental management and cleaning service operation. No immoral, improper, offensive or unlawful use will be made of any Non-residential Unit and no use or condition will be permitted which is a source of unreasonable noise or interference with the peaceful possession and quiet enjoyment of any other portion of the Project by other Owners or lessees of Owners, their families, invitees and guests. All Non-residential Units will be kept in a clean and sanitary condition and no rubbish, refuse or garbage will be allowed to accumulate. No fire hazard will be allowed to exist and no use or condition will be permitted which will increase any rate of insurance related to the Project. In addition, all Owners and lessees of Owners will abide by all Rules and Regulations in effect from time to time governing the use of Non-residential Units, provided that any such rule shall first be approved by each Owner of the Non-residential Units prior to it becoming effective.

10.3 Animals and Pets. No animals, livestock or poultry of any kind will be raised, bred or kept on any part of the Project, except that dogs, cats or other normal household pets may be kept by the respective Owners inside their respective Units provided that they are not kept, bred or maintained for any commercial purpose and do not create any health hazard or, in the sole discretion of the Board of Directors, unreasonably disturb the peaceful possession and quiet enjoyment of any other portion of the Project by other Owners and lessees of Owners, their families, invitees and guests.

10.4 Antennas. No television antenna, radio receiver, or other similar device will be attached to or installed on any portion of the Regime by an Owner, except as required by the Telecommunications Act of 1996 and implementing rules therefor issued by the Federal Communications Commission and by the Association in conformity with rules or guidelines of the Federal Communications Commission; provided, however, the Developer and the Association, and their successors and assigns, will not be prohibited from installing equipment necessary for master antenna, security, cable television, mobile radio, or other similar systems within the Regime.

10.5 Leasing of Residential Units. An Owner of a Residential Unit will have the right to lease or rent his Unit; provided, however, that all leases and rental contracts will be for a duration of 2 nights or more and will be in writing and will require the lessee to abide by all conditions and restrictions placed on the use and occupancy of the Residential Unit and the Common Area by the Regime Documents. The Board of Directors will have the right to approve the form of all such leases and rental contracts at any time if it elects to do so. Occupancy by a tenant or renter under any such approved form of lease or rental contract is subject to continuing approval of the Board thereunder, which may be removed at any time by the Board for any violation by any such tenant or renter of the Rules and Regulations of the Association. Lease, rental or license agreements with respect to Non-residential Units shall not be subject to any such restriction or approval of the Board, and this provision may not be amended without the consent of the Owners of all the Non-residential Units.

10.6 Motor Homes, Trailers, Boats, Etc. All vehicles will be parked in spaces within the Common Area designated therefor. There will be no storage or parking upon any portion of the Project of any mobile home, trailer (either with or without wheels), motor home, tractor, truck (other than pick-up trucks), commercial vehicles of any type, camper, motorized camper or trailer, boat or other watercraft, boat trailer, motorcycle, motorized bicycle, motorized go-cart, or any other related forms of transportation devices.

10.7 Residential Unit Repurchase Option. During the Transition Period, the Developer will have the right and option to purchase any Residential Unit within the Project which is offered for sale by the Owner thereof, such option to be at the price and on the terms and conditions of any bona fide offer therefor which is acceptable to such Owner and which is made in writing to such Owner. The Owner will promptly submit a copy of the same to the Developer, and the Developer will have a period of ten (10) business days (exclusive of Saturday, Sunday and Federal holidays) from and after the presentation of such offer to the Developer in which to exercise its purchase option by giving such Owner written notice of such exercise. If the Developer fails to respond or to exercise such purchase option within said ten (10)-day period, the Developer will be deemed to have waived such purchase option. If the Developer responds by declining to exercise such option, the Developer will execute an instrument evidencing its waiver of its repurchase option, which instrument will be in recordable form. In the event that the Developer does not exercise its purchase option and such sale to a third party is not consummated on such terms and conditions set forth in the bona fide offer within six (6) months of the date in which the offer is transmitted to the Developer, or within the period of time set forth in such bona fide offer, whichever is later, the terms and limitations of this Section 10.7 will again be imposed upon any sale by such Owner. If the Developer elects to purchase, the transaction will be consummated within the period of time set for closing in said bona fide offer, or within thirty (30) days following delivery of written notice by the Developer to such Owner of the Developer's decision to so purchase such Unit, whichever is later. Non-residential Units shall not be subject to any such repurchase option unless specifically reserved in the deed thereto or otherwise subject thereto in a recorded writing other than this Master Deed.

11. Easements.

11.1 Encroachments. If any portion of the Common Area encroaches upon any Unit or any Unit encroaches upon any other Unit or upon any portion of the Common Area as a result of settling or shifting of the Building or variances from the Plans, an easement will exist for the encroachment and for the maintenance of the same so long as the Building stands. If the Building, any Unit, and/or any adjoining part of the Common Area will be partially or totally destroyed as a result of fire or other casualty or a result of eminent domain proceedings, and then rebuilt, encroachments of parts of the Common Area upon any Unit or of any Unit upon any other Unit or upon any portion of the Common Area due to such rebuilding, will be permitted, and valid easements for such encroachments and the maintenance thereof will exist so long as the Building will stand.

11.2 Easement for Air Space. The Owner of each Unit will have an exclusive easement for the use of the air space occupied by said Unit as it exists at any particular time and as said Unit may be altered or reconstructed from time to time pursuant to this Master Deed.

11.3 Utilities, etc. There is hereby granted a blanket easement upon, across, over and under all the Project for ingress, egress, installation, replacing, repairing and maintaining a master television antenna or CATV system and all utilities, including, but not limited to water, gas, sewers, telephones and electricity. Such easements grant to appropriate utility companies the right to erect and maintain the necessary poles and other necessary equipment on the Project and to affix and maintain utility wires, circuits and conduits on, above, across and under the roofs and exterior walls of the Units. In addition, the Board of Directors will be entitled to grant additional permits, licenses and easements over the Common Area for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance and operation of the Project.

11.4 Easement for Construction. Notwithstanding anything herein to the contrary, Developer and persons designated by the Developer will have an easement to enter upon and cross over the Common Areas for purposes of ingress and egress to all portions of the Project; to use portions of the Common Areas and any Units owned by the Developer for construction or renovation related purposes including the storage of tools, machinery, equipment, building materials, appliances, supplies and fixtures, and the performance of work respecting the Project; and to maintain and correct drainage of surface, roof or storm water.

11.5 Easement for Inspection by Developer. Notwithstanding anything herein to the contrary, Developer and persons designated by the Developer will have an easement to enter upon and cross over the Common Areas for purposes of ingress and egress to all portions of the Project; as well as an easement for reasonable access to each Unit as the Developer may find desirable, for the inspection of the whole or any portion of the Project, its Units and Common Areas, the components and structural parts thereof, as well as the their maintenance requirements and the maintenance performed thereon to the date of any such inspection. Nothing herein shall require the Developer to perform any such inspection, but if the Developer does undertake any such inspection, Developer shall provide to the Board of Directors a copy of its findings or the inspection report produced therefrom. Nothing herein shall relieve the Board from engaging a professional inspector to perform an annual maintenance audit as part of the Board's annual budgeting process under Section 4.2 above.

11.6 Easement for Sales Purposes. Developer and persons designated by the Developer will have an easement to maintain one or more sales offices, management offices and models throughout the Project and to maintain one or more advertising signs on the Common Areas while the Developer is selling Units in the Project or any contemplated expansion thereof. Developer reserves the right to place models, management offices and sales offices in any Units owned by Developer and on any portion of the Common Area in such number, of such size and in such locations as Developer deems appropriate. So long as Developer will be selling Units in the Project or any contemplated expansion thereof, Developer

will have the right to restrict the use of a reasonable number of parking spaces, for purposes including, but not limited to, the providing of spaces for use by prospective Unit purchasers, Developer's employees and others engaged in sales, maintenance, construction or management activities.

11.7 No View Easements. No view easements, express or implied, will be granted to any Owner in connection with the conveyance of a Unit to such Owner.

11.8 Other. There is hereby granted to the Association, its directors, officers, agents and employees and to any manager employed by the Association and to all policemen, firemen, ambulance personnel, and all similar emergency personnel, an easement to enter upon the Project or any part thereof in the proper performance of their respective duties. Except in the event of emergencies, the rights under this Section 11.8 will be exercised only during reasonable daylight hours, and then, whenever practicable, only after advance notice to the Owner or Owners affected thereby.

## 12. Special Provisions Applicable to the Golf Course Land.

12.1 Landscaping, Fencing and Signage Along Golf Course Land. The owner of the Golf Course Land shall have the right to place landscaping, fencing, signage, and similar improvements at the boundary lines of the Golf Course land and the Project as reasonably necessary to prevent trespass, to regulate play on the Golf Course Land and to frame and beautify golf holes (as determined in its sole discretion). Neither the Association or any Owner may install any fencing between the Golf Course Land and the Project except as approved by the Board of Directors or architectural review committee established by the Board, and by the owner of the Golf Course Land.

12.2 Restrictions and Owners' Assumed Risks Related to the Golf Course Land. So long as the Golf Course Land is owned and operated as a golf facility, the following shall apply to the Project:

(a) Distracting Activity by Owners of Lots Prohibited. Owners and Occupants, as well as their pets, will refrain from any actions which would detract from the playing qualities of the Golf Course Land. Such prohibited actions will include, but are not limited to, burning materials where smoke will cross the Golf Course Lands, owning dogs or other pets under conditions which interfere with golf course play due to their loud barking or other actions, playing of loud radios, televisions, stereos and musical instruments, running, bicycling, skateboarding, walking or trespassing in any way upon the Golf Course Land, picking up balls or any other similar interference with play.

(b) Assumed Inconveniences and Disturbances by Owners Adjacent to Golf Course Land. By the acceptance of a deed of conveyance to a Unit, each Owner acknowledges and agrees that such Owner assumes the risks of the entry by golfers onto the Project to retrieve golf balls pursuant to the easement set forth in Section 12.3(a) below (which such entry will not be deemed a nuisance or trespass); possible overspray in connection with the irrigation and fertilization of the roughs, fairways, greens and tees of the golf course and odors arising therefrom; noise from golf course maintenance and operation equipment; disturbance and loss of privacy resulting from golf cart traffic and golfers, and activities associated with lake or lagoon and lagoon edge maintenance. Additionally, each Owner acknowledges and understands that herbicides, fungicides, pesticides and chemicals may be applied to the golf course areas throughout the year, and that treated effluent or other sources of non-potable water may be used for the irrigation thereof.

(c) Assumption of Risks by Owners Adjacent to Golf Course. Each Owner and Occupant, for himself and his guests and invitees, acknowledges that risks of injury to persons or property are inherent to persons or property located upon or in close proximity to a golf course, and agrees that Owner or Occupant assumes all risks resulting therefrom, including but not limited to, claims of negligent

design of the golf course, dwellings and negligent construction of improvements or location of improvements. Each Owner and Occupant, by expressly assuming such detriments and risks, agrees that neither the Developer, nor the owner of the Golf Course Land, nor the Association, nor their successors or assigns will be liable to any Owner or Occupant claiming any loss or damage, including, without limitation, indirect, special, or consequential loss or damage arising from personal injury, destruction of, or damage to, property, trespass, or any other alleged wrongdoing or entitlement to remedy based upon, due to, arising from, or otherwise related to the proximity of the Project to the Golf Course Land, including, without limitation, any claim arising in whole or in part from the negligence of the Developer, any affiliate of the Developer, the owner of the Golf Course Land, the Association, and/or their invitees, agents, servants, successors and assigns, against any and all such claims, including claims of negligent design of the golf course, dwellings and negligent construction of improvements or location of improvements.

### 12.3 Easements and Restrictions for the Benefit of the Golf Course Land.

(a) Flight and Retrieval of Golf Balls. The owner of the Golf Course Land and its guests will have, for as long as said land is used as a golf course, a perpetual, exclusive easement of access over the Project for the flight and retrieval of golf balls over, across and upon the Project, and for the purpose of retrieving golf balls from bodies of water within the Common Areas, lying reasonably within range of golf balls hit from the Golf Course Land.

(b) Golf Play. The owner, and its guests, licensees, and employees, of the Golf Course Land will have, for as long as said land is used as a golf course, a perpetual, non-exclusive easement to do every act necessary and incident to playing golf on the Golf Course Land, including, but not limited to, the creation of usual and common noise levels associated with golf play, and the play while standing out of bounds of a golf ball that lies within bounds as permitted by the rules of golf as are from time to time applicable.

(c) Overspray. The Project is hereby burdened with a nonexclusive easement for overspray of water from the irrigation system serving the Golf Course Land, as well as overspray of herbicides, fungicides and pesticides. Under no circumstances will the Developer, the owner of the Golf Course Land, or the Association be held liable for any damage or injury resulting from such overspray or the exercise of this easement.

(d) Golf Course Land Maintenance Noise Easement. There is hereby reserved for the benefit and use of the owner of the Golf Course Land the perpetual, nonexclusive right and easement over and across the Property for the creation of noise related to normal maintenance and operation of the golf course, including, but not limited to, the operation of mowing, raking and spraying equipment.

(e) Golf Course Facilities' Construction, Maintenance, Repair and Replacement. There is hereby reserved for the benefit and use of the owner of the Golf Course Land the perpetual, nonexclusive right and ingress, egress, access and construction easement over the Project's roadways and Common Areas reasonably necessary to the construction, operation, maintenance, repair and replacement of the golf course facilities.

(f) Errant Golf Balls. The existence of the within easements shall not relieve golfers of liability for damage caused by errant golf balls. Under no circumstances shall the Developer, the Association or the owner of the Golf Course Land, nor any of their respective appointees, directors, officers, employees, contractors, consultants, shareholders, affiliates, assignees, successors, nominees or agents, be held liable for any damage or injury to person or the Unit or any Project improvement thereon.

resulting from errant golf balls, whether in motion or at rest, which has been driven from the golf course or its environs.

(g) Encroachment Easements. If, after any repair, reconstruction, maintenance or other work on the Golf Course Land is complete, minor encroachments exist by the golf course playing area and improvements onto the Project or the Project onto the golf course playing area and improvements, the Regime Owners and the owner of the Golf Course Land Club Owner shall be deemed to have hereby granted to each other easements which shall allow said encroachments to exist, so long as they are not expanded in any way. Further, should any improvement constituting an encroachment ever be abandoned for a period of six (6) months or destroyed, the easement for that particular encroachment shall be terminated. The Association and Regime Owners and the owner of the Golf Course Land shall cooperate with each other to locate and accommodate said minor encroachments.

13. Assigned Value and Voting Rights.

13.1 Units, Assigned Values, and Percentage Interests. The Schedule of Percentage Interests contained in Exhibit "C" attached hereto shows the Assigned Value of each Unit as of the date of this Master Deed and the Percentage Interest appurtenant to such Unit for all purposes, and the aggregate Assigned Values of Units in Buildings of all phases which may be added to the Regime pursuant to Section 14. The aggregate Assigned Values of Units in a Building to be added to the Regime in a future phase may be changed by the Developer at the time Developer submits said Building and its Units to this Master Deed, provided that following such submission the total Assigned Values of all Units in the Project, if all phases are constructed and submitted, will not be greater or less than said total contained in Exhibit "C."

13.2 Voting Rights. Members and the Developer will be entitled to a vote in the Association and for all other purposes herein in accordance with the provisions of the Association's Sections of Incorporation attached hereto as Exhibit "D" and the By-Laws of the Association attached as Exhibit "E," and as the same may be hereafter amended.

(a) Voting by Multiple Owners. When any Unit is owned in the name of two or more persons, other than husband and wife, or entities, whether fiduciaries, or in any manner of joint or common ownership, the vote for such Unit will be exercised as such co-Owners determine among themselves and advise the Secretary of the Association in writing prior to any meeting; or the vote will be exercised by such co-Owner, or his duly appointed proxy, as will be designated in a writing by all co-Owners recorded in the ROD Office for Horry County, a copy of which will be delivered to the Secretary of the Association and will remain effective for all meeting until revoked by the co-Owners in a similar writing or until such designation terminates pursuant to the terms of such writing.

14. The Development Plan For The Project.

14.1 The Regime. The Regime is composed of one Buildings, known as Building 2, with eighteen (18) Residential Units and one (1) Non-residential Unit, as depicted on Exhibit "B," and the Common Areas, as more fully described in the Regime Documents and on Exhibit "B" attached hereto.

14.2 Reservation of Right to Expand and Contract. Anything to the contrary contained in this Master Deed notwithstanding, at any time during the Transition Period, the Developer will be entitled to expand the Regime to a total of ninety (90) Residential Units and no more than one (1) Non-residential Unit per Building added to the Regime in accordance with these expansion rights as provided in this Section 14.

(a) Expansion: Conversion of Common Area. The Developer is entitled, but not obligated, to expand the Regime during the Transition Period by constructing additional Units on all or any portion of the Common Area and to submit said real property (or any portion thereof) and all improvements constructed thereon, to the Regime, from time to time, by filing one or more Amendments to this Master Deed (including amendments to the Exhibits, including Exhibit "C" to reflect any required change in the Percentage Interests pursuant thereto and Section 13.1). Improvements as shall be so constructed by Developer shall be consistent with the quality and structure type of those constructed at the time this Master Deed is filed of record in the ROD, although additional Units may be laid out in different configurations or plans and different classes of accessory Units may be provided. An Amendment will be executed solely by the Developer for itself and as attorney in-fact for all Owners. An Amendment will be effective upon recording such Amendment in the Horry County ROD.

(b) Contraction; Withdraw of Unimproved Common Area. During the Transition Period, the Developer is entitled to subdivide portions of the Common Area from the Project which are unimproved with structures and to remove the subdivided portion from the application of this Master Deed by filing one or more Amendments to this Master Deed (including amendments to the Exhibits). An Amendment will be executed solely by the Developer for itself and as attorney in-fact for all Owners. An Amendment will be effective upon recording such Amendment in the Horry County ROD.

14.3 Amenities: Required Expansion. Amenities may be, but will not be required to be, constructed as part of the expansion of the Regime pursuant to this Section 14, all such amenities being optional with the Developer. No Owner will have the right to require construction or addition to the Regime under any circumstances.

14.4 Assignability of Rights. The Developer will be entitled to assign the rights reserved in this Section 14 to any person or entity by an instrument recorded in the Horry County ROD.

14.5 Application of Master Deed. Upon the filing of the Amendment prescribed by Section 14.2 hereof, all definitions contained in this Master Deed will be deemed amended to the extent necessary to cause the additional real property and the improvements described in such Amendment to be treated as fully an integral part of the Regime as if said real property and improvements constituted a portion of the Project as of the effective date hereof.

14.6 Annual Assessments for Additional Units and Working Capital Reserve. The Annual Assessment with respect to the Units added to the Regime pursuant to this Section 14 will be equal to the then current Annual Assessment applicable to existing Units with equivalent Percentage Interests, pro rated on a per diem basis; provided, however, that as to any type of Unit being added to the Regime for which there is currently no Annual Assessment, the Annual Assessment will be proportionately increased or decreased based upon the Percentage Interest of such Units. Assessments regarding all of the additional Units will commence upon the recording of the Amendment prescribed by Section 14.2 hereof.

All obligations with respect to working capital provided for in Section 4.10 will be applicable upon the transfer of the additional Units by the Developer.

14.7 No Consent Required. Subject to the time limit set forth in Section 14.2 hereinabove, the Developer, its successors and assigns, will have the absolute right to effect an expansion or contraction of the Regime in accordance with this Section 14 and to file the Amendments prescribed in Section 14.2 hereof without any action or consent on the part of any Owner or Mortgage holder; provided, however, that to the extent any action on the part of any Owner is required by any third party to assure the expansion of the Regime as provided in this Section 14, each Owner, in accepting a deed to a Unit, agrees to undertake such actions and/or provide such consents as are reasonably requested, and expressly

appoints the Developer his due and lawful attorney-in-fact, with full power of substitution, to execute all documents reasonably required to evidence the requisite action or consent.

14.8 Multiple Ownership. No Unit in the Regime will be used for or subject to any type of Vacation Time Sharing Plan or Vacation Multiple Ownership Plan as defined by the 1976 Code of Laws for the State of South Carolina, as amended, Section 27-32-10, et. seq., or any subsequent laws of this State dealing with that or similar type of ownership by a Unit Owner, or which is used for, in conjunction with and/or as an advertised part of any time share exchange program which makes available as accommodations the Unit and which is not otherwise registered as a Vacation Time Sharing Plan or Vacation Multiple Ownership Plan or which utilizes the Unit as accommodations for time share sale prospects of any Person, without the prior written consent of the Developer during the Developer's Transition period and thereafter by the Board of Directors of the Association. The Developer specifically reserves the right in its sole discretion, to time share any additional phase added to the Regime pursuant to this Section 14.

15. Transition Provisions

15.1 Appointment of Directors and Officers. At all times during the Transition Period, the Developer will have the sole and exclusive right to appoint the Board of Directors and officers of the Association, fill any vacancy of the Board or officers caused by the withdrawal of any director or officer appointed by the Developer and veto the removal of any director or officer appointed by the Developer. Upon the expiration of the Transition Period, the Developer will retain the right to elect at least one (1) director. This right will continue for as long as the Developer holds for sale in the ordinary course of business one or more of Units included in the Regime.

15.2 Special Meeting to Elect Board. Within sixty (60) days after the date on which the Transition period expires and Owners other than the Developer become entitled to elect members of the Board of Directors of the Association, the Association will call, and give not less than thirty (30) days' and not more than forty (40) days' notice of, a special meeting of the Members to elect the Board of Directors.

15.3 Cooperation. The Association will cooperate with the Developer to the extent reasonably requested by the Developer during and after the Transition Period to promote the orderly development and marketing of the additional Units planned for the Project, and it is acknowledged by the Association that it is in the best interest of all Owners to expand the Regime to include all Units authorized by Section 14 hereof.

15.4 Controlling Provisions. In the event of any inconsistency between this Section 15 and the other provisions of the Regime Documents, this Section 15 will be controlling and binding on all parties having an interest in the Regime.

16. Alternative Dispute Resolution.

16.1 Agreement to Avoid Costs of Litigation and to Limit Right to Litigate Disputes. The Developer, Association, Owners, and any persons not otherwise subject to the Regime Documents who agree to submit to this Section 16 (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes between and among themselves involving this Master Deed or the Regime, and to avoid the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that all claims, grievances and disputes (including those in the nature of counterclaims or cross-claims) between Bound Parties involving the Regime Documents or the Regime, including without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or

enforcement thereof (collectively "Claims"), except for "Exempt Claims" under Section 16.2, are subject to the procedures set forth in Section 16.3.

16.2 Exempt Claims. The following Claims ("Exempt Claims") are exempt from the provisions of Section 16.3:

(a) any suit by the Association or the Master Association against any Bound Party to enforce any Assessments or other charges hereunder; and

(b) any suit by the Association or the Master Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and other relief the court may deem necessary in order to maintain the status quo and preserve any enforcement power of the Association or Master Association until the matter may be resolved on the merits pursuant to Section 16.3 below; and

(c) any suit involving a matter which is not an Exempt Claim under (a) or (b) above, but as to which matter the Bound Party against whom the Claim is made waives the mandatory provisions of Section 16.3 below.

Any Bound Party having an Exempt Claim may submit it to the alternative dispute resolution procedures set forth in Section 16.3, but there is no obligation to do so.

16.3 Mandatory Procedures for Non-Exempt Claims. Any Bound Party having a Claim ("Claimant") against a Bound Party involving the Regime Documents or the Regime, or all or any combination of them ("Respondent"), other than an Exempt Claim under Section 16.2, will not file suit in any court or initiate any proceeding before any administrative tribunal seeking redress or resolution of the Claim until it has complied with the procedures set forth in Exhibit "G", and then only to enforce the results hereof.

16.4 Litigation. No judicial or administrative proceeding with an amount in controversy exceeding \$25,000.00, will be commenced or prosecuted by the Association unless approved by seventy-five percent (75%) of the total votes of the Association at a regular or special meeting at which a quorum is present, duly called, in whole or in part, for the purpose of approving the proceeding. This Section will not apply, however, to (a) actions brought by the Association to enforce the collection of assessments, including the foreclosure of liens, as well as the enforcement of other provisions of this Master Deed, except where it is asserted that the Developer is in violation of any provision of this Master Deed other than a violation of its requirement to pay Assessments or to fund operating shortfalls in accordance with Section 4.7; (b) proceedings involving challenges to ad valorem taxation; (c) counterclaims brought by the Association in proceedings instituted against it; or (d) actions brought by the Association to enforce written contracts with its suppliers and service providers. This Section will not be amended unless the amendment is approved by both the Developer and the requisite percentage of votes of Members of the Association, and pursuant to the same procedures, necessary to institute proceedings as provided above. This provision will apply in addition to the negotiation and arbitration provisions of this Section 16, if applicable.

16.5 Miscellaneous Alternative Dispute Resolution Provisions.

(a) Conflicting Provisions. Any conflict or discrepancy between the terms and conditions set forth in this Section 16 and any term, condition or procedure of the American Arbitration Association, or any remedy allowed at law or in equity, the terms, conditions, procedures and remedies set forth herein will control.

(b) TIME IS OF ESSENCE. All periods of time set forth herein or calculated pursuant to provisions of this Section 16 will be strictly adhered to, TIME BEING OF THE ESSENCE hereof.

17. Mortgagee Protection.

17.1 Introduction. This Section establishes certain standards and covenants which are for the benefit of the holders, insurers and guarantors of certain mortgages. This Section is supplemental to, and not in substitution for, any other provisions of the Master Deed, the Bylaws of the Association and the Sections of Incorporation of the Association (the "Constituent Documents"), but in the event of conflict, this Section shall control. Unless the Board of Directors shall vote to suspend this provision, the Board shall periodically amend this Section from time to time, to be consistent with generally applicable requirements of the Federal National Mortgage Association governing mortgagee approval requirements.

17.2 Eligible Mortgagees. Wherever in the Constituent Documents the approval or consent of a specified percentage of "Eligible Mortgagees" is required, it shall mean the approval or consent of the Institutional Mortgagees holding or insuring first lien Mortgages on Residential Units which have provided to the Association written requests, stating their names and addresses and the street addresses of the Residential Units to which their Mortgages relate, to receive written notice of the matters for which they are entitled to vote, and which in the aggregate have allocated to them such specified percentage of votes in the Association when compared to the total allocated to all Residential Units then subject to first Mortgages held by Eligible Mortgagees.

17.3 Notice of Actions. The Association shall give prompt written notice to each Eligible Mortgagee of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Project or any Residential Unit in which there is a first Security Interest held, insured, or guaranteed by such Eligible Mortgagee or Eligible Insurer as applicable;

(d) Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in Section 17.4; and

(e) Any judgment rendered against the Association.

17.4 Consents Required; Constituent Documents' Changes. Notwithstanding any lower requirement permitted by the Constituent Documents or the Nonprofit Corporation Act, no amendment of any material provision of the Constituent Documents by the Owners described in this Section 17.4 may be effective without the vote of sixty-seven percent (67%) or more of the votes of the entire Association, by Referendum or at a duly held meeting of Members (which percentage will also constitute the quorum required for any such meeting), or any greater vote required in the Constituent Documents or the Nonprofit Corporation Act, and until approved in writing by at least fifty-one percent (51%) of the Eligible Mortgagees (or any greater Eligible Mortgagee approval required by the Constituent Documents). The foregoing approval requirements do not apply to amendments effected by the exercise

of any rights of the Developer to amend the Constituent Documents until expiration of the Transition Period. Consent of an Eligible Mortgagee is deemed granted if no denial is received within thirty (30) days after the Eligible Mortgagee receives notice of the proposed changes. Material provisions requiring such Members' vote and Eligible Mortgagees' approval include, but are not limited to, any provision affecting:

- (a) Assessments, assessment liens, or subordination of assessment liens;
- (b) Voting rights;
- (c) Reserves for maintenance, repair and replacement of the Common Areas;
- (d) Responsibility for maintenance and repairs;

- (f) Rights to use Common Areas and Limited Common Areas;
- (g) Boundaries of Residential Units except that when boundaries of only adjoining Residential Units are involved, or a Residential Unit is being subdivided, then only those Residential Unit Owners and the Eligible Mortgagees holding mortgages on such Residential Unit or Residential Units must approve such action.
- (h) Convertibility of Residential Units into Common Areas or Common Areas into Residential Units except pursuant to Developer's right to expand the Regime pursuant to Section ;
- (i) Expansion or contraction of the Regime, or the addition, annexation or withdrawal of property to or from the Regime, except pursuant to Developer's right to expand the Regime pursuant to Section;
- (j) Insurance or fidelity bonds;
- (k) Leasing of Residential Units;
- (l) Imposition of restrictions on a Residential Unit Owner's right to sell or transfer his or her Unit;
- (m) Establishment of self-management when professional management had been required previously by the Constituent Documents or by an Eligible Mortgagee;
- (n) Restoration or repair of the Property after a hazard damage or partial condemnation in a manner other than that specified in the Constituent Documents;
- (o) Termination of the legal status of the Regime after occurrence of substantial destruction or condemnation; and
- (p) Any provision that expressly benefits Mortgage holders, insurers or grantors.

17.5 Actions. Notwithstanding any lower requirement permitted by the Constituent Documents or the Nonprofit Corporation Act, the Association may not take any of the following actions without the approval of at least fifty-one (51%) of the Eligible Mortgagees or such higher percentage as set forth herein:

(a) The conveyance or encumbrance of the Common Areas or any portion thereof, as to which at least a sixty-seven percent (67%) approval by Eligible Mortgagees is required. The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas for the benefit of the Regime shall not be deemed a conveyance or encumbrance within the meaning of this clause;

(b) The restoration or repair of the Property after damage or a partial condemnation in a manner other than that specified in the Constituent Documents;

(c) The termination of the legal status of the Regime for reasons other than substantial destruction or condemnation, as to which at least sixty-seven percent (67%) approval by Eligible Mortgagees is required;

(e) The merger of the Association with any other common interest community;

(f) The granting of any easements, leases, licenses and concessions through or over the Common Areas excluding, however, any utility easements serving or to serve the Regime and excluding any leases, licenses or concessions for no more than one year;

(g) The assignment of the future income of the Association, including its right to receive Common Expense Assessments; and

(h) Any action taken not to repair or replace the Property.

The foregoing consents do not apply to the exercise of any right reserved by the Developer in the Constituent Documents.

17.6 Change From Monthly Assessment. The Association may not change the period for collection of regularly budgeted Common Expenses Assessments to other than monthly without the consent of all Eligible Mortgagees.

17.7 Developer's Reserved Rights. No rights reserved by the Developer may be voluntarily abandoned or terminated by the Developer unless all persons holding security interests in the Developer's reserved rights consent to the abandonment or termination.

17.8 Inspection of Books. The Association shall permit any Eligible Mortgagee to inspect the books and records of the Association during normal business hours.

17.9 Financial Statements. The Association shall provide any Eligible Mortgagee which submits a written request, with a copy of an annual financial statement within one hundred twenty (120) days following the end of each fiscal year of the Association. Such financial statement shall be audited

by an independent certified public accountant if the number of Residential Units is 50 or more, or if the number of Residential Units is less than 50 and no audited statement is otherwise required under the Constituent Documents, any. Any Eligible Mortgagee may have an audited statement prepared at its own expense.

17.10 Enforcement. The provisions of this Section 17 are for the benefit of Eligible Mortgagees and their successors, and may be enforced by any of them by any available means, at law, or in equity.

17.11 Attendance at Meetings. Any representative of an Eligible Mortgagee may attend any meeting which a Residential Unit Owner may attend.

18. General Provisions.

18.1 Adherence to Provisions of Master Deed, Bylaws and Rules and Regulations. Every Owner who rents his Unit must post inside his Unit a list of the Rules and Regulations of the Association applicable thereto. Any rental agency handling an Owner's rental must further agree to abide by the Rules and Regulations and will be responsible for informing persons renting through its agency of any breaches of the Rules and Regulations by said persons and for taking any and all necessary corrective action. Should a particular agency or person continue not to take corrective action against the renters it has contracted with, or refuse to cooperate with the Association in the enforcement of its Rules and Regulations or other provisions of the Regime Documents, the Association may require the Owner to cease using the services of that particular rental agency. Refusal to do so may result in fines against the Owner in an amount to be determined by the Board of Directors. Any fines will be added to and become a part of the Assessment against the Unit and Owner.

18.2 Amendment. Amendments to this Master Deed, except as herein expressly provided to the contrary, including, but not limited to amendments pursuant to Section 14 which may be made without the consent or approval of either the Board or the Members, will be proposed by the Board of Directors in accordance with the following procedure:

(a) Notice. Notice of the subject matter of the proposed amendment or amendments will be included in the notice of the meeting of the Association at which such proposed amendment or amendments are to be considered.

(b) Adoption. The Master Deed may be amended at any time and from time to time at a meeting of the Association called in accordance with the Bylaws and this Master Deed upon the vote of Members holding sixty-seven percent (67%) or more of the total vote in the Association; provided, however, that if the Association will vote to amend the Bylaws in any respect, such amendment will be set forth in an amendment to this Master Deed and will be valid only when approved by Members holding more than fifty percent (50%) of the total vote in the Association.

(c) Nondiscrimination. Irrespective of the foregoing, no amendment will (i) alter the Percentage Interest applicable to each Unit (except as permitted in accordance with Section 6 and Sections 3.3 and 13.1 hereof); or (ii) discriminate against any Owner or against any Unit or class or group of Units, unless in each instance all Owners adversely affected thereby expressly consent thereto in writing. Notwithstanding any Rule or Regulation or other restriction, the Board of Directors of the Association will make reasonable accommodations in its Rules and Regulations or other restrictions as may be necessary to afford a handicapped person equal opportunity to use and enjoy his Unit and the Common Area, and in furtherance thereof is authorized and empowered to assign Common Area parking

spaces for handicap parking generally or to assign same for exclusive use of a Person as handicap parking.

(d) Necessary Amendments. Notwithstanding any other provisions of this Master Deed to the contrary, if any amendment is necessary in the judgment of the Board to cure any ambiguity or to correct or supplement any provisions of the Regime Documents that are defective, missing or inconsistent with any other provisions thereof, or if such amendment is necessary to conform to the requirements of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration, the Veterans Administration or other secondary Mortgage market lenders, guarantors or insurers with respect to condominium projects, then at any time and from time to time the Board may effect an appropriate corrective amendment so long as written objection to such amendment is not received from Members representing more than fifty percent (50%) of the total votes of the Association within twenty (20) days after written notice of the proposed amendment is given to all Members.

(e) Recording. A copy of each amendment provided for in this Section 18.2 will be certified by the Association as having been duly adopted and will be effective when recorded.

In recognition of the fact that certain provisions of this Master Deed are for the benefit of the owner of the Golf Course Land, as well as the Owners of the Non-residential Units, no amendment in derogation of any right reserved or granted to the owner of the Golf Course Land and the Owners of Non-residential Units by provisions of this Master Deed may be made without the written approval of the owner of the Golf Course Land and the Owners of the Non-residential Units, as applicable. The limitations hereof shall not apply, however, to amendments made by the Developer.

18.3 Termination. The Regime may be terminated and the Project removed from the provisions of the Act in the following manner:

(a) Agreement. All of the Owners may remove the Project from the provisions of the Act by an instrument to that effect, duly recorded, subject to the Mortgagee Protection provisions of Section 17 of this Master Deed.

(b) Destruction. In the event it is determined in the manner provided in Section 5.6 that the Project will not be repaired or reconstructed after casualty, the Regime will be terminated and the Regime Documents revoked. The determination not to repair or reconstruct after casualty will be evidenced by a certificate of the Association certifying as to the facts effecting the termination.

(c) Condemnation. In the event that any part of a Unit, or the Common Area essential to the use of any Unit will be taken by an authority having the power of eminent domain and the consent of Members representing at least sixty-seven (67%) percent of the total votes of the Association as provided in Section 6.3 to a plan for continuation of the Regime will not be expressed in an amendment to this Master Deed duly recorded within ninety (90) days after such taking, the Regime will be terminated and the Regime Documents revoked. Such taking will be evidenced by a certificate of the Association certifying as to the facts effecting the termination.

18.4 Covenants Running With the Land. All provisions of this Master Deed will be construed to be covenants running with the land, and with every part thereof and interest therein, including, but not limited to, every Unit and the appurtenances thereto; and each and every provision of this Master Deed will bind and inure to the benefit of the Developer and all Owners and claimants of the Project or any part thereof or interest therein, and their heirs, executors, administrators, successors and assigns.

18.5 Enforcement. Each Owner will comply strictly with the Bylaws and with the Rules and Regulations of the Association, as either of the same may be lawfully amended from time to time, and with the covenants, conditions and restrictions set forth in this Master Deed and in the deed to his Unit. Failure to comply with any of the same will be grounds for an action to recover sums due, for damages or injunctive relief, or for all three, maintainable by the Board of Directors on behalf of the Association or by any aggrieved Owner. In addition, the rights of any Owner or lessee of an Owner, their families, invitees or guests to use and to enjoy the Common Area may be suspended by the Board of Directors for continued violation of the Rules and Regulations. Failure by the Association or any Owner to enforce any of the foregoing will in no event be deemed a waiver of the right to do so thereafter.

(a) Authority and Enforcement. Subject to the provisions of Section 18.5(b) hereof, upon the violation of this Master Deed, the Bylaws, or any rules and regulations duly adopted hereunder, including, without limitation, the failure to timely pay any Assessments, the Board will have the power (i) to impose reasonable monetary fines which will constitute an equitable charge and a continuing lien as a specific Assessment, (ii) to suspend an Owner-Member's right to vote in the Association, or (iii) to suspend an Owner's or Occupant's right to use any of the Common Areas. The Board will have the power to impose all or any combination of these sanctions, and may establish each day a violation remains uncured as a separate violation for which a fine is due; provided, however, an Owner's access to its property over the private roads and streets constituting Common Areas will not be terminated hereunder. An Owner or Occupant will be subject to the foregoing sanctions in the event of such a violation by such Owner or Occupant. Any such suspension of rights may be for the duration of the infraction and for any additional period thereafter, not to exceed thirty (30) days.

(b) Procedure. Except with respect to the failure to pay Assessments, the Board will not impose a fine, suspend voting rights, or infringe upon or suspend any other rights of an Owner or other Occupant of the Project for violations of the Master Deed, By-Laws, or any rules and regulations of the Association, unless and until the following procedure is followed:

(i) Demand to Cease and Desist. Written demand to cease and desist from an alleged violation will be served upon the Owner responsible for such violation specifying:

(A) The alleged violation;

(B) The action required to abate the violation; and

(C) A time period of not less than ten (10) days during which the violation may be abated without further sanction, if such violation is a continuing one, or if the violation is not a continuing one, a statement that any further violation of the same provision of this Master Deed, the By-Laws, or of the rules and regulations of the Association may result in the imposition of sanctions after notice and hearing.

(ii) Notice of Hearing. Within twelve (12) months of such demand, if the violation continues past the period allowed in the demand for abatement without penalty, or if the same violation subsequently occurs, the Board may serve such Owner with written notice of a hearing to be held by the Board in executive session. The notice will contain:

(A) The nature of the alleged violation;

(B) The time and place of the hearing, which time will be not less than ten (10) days from the giving of the notice;

(C) An invitation to attend the hearing and produce any statement, evidence, and witnesses on his behalf; and

(D) The proposed sanction to be imposed.

(iii) Hearing. The hearing will be held in executive session of the Board of Directors pursuant to the notice and will afford the alleged violator a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of notice and the invitation to be heard will be placed in the minutes of the meeting. Such proof will be deemed adequate if a copy of the notice together with a statement of the date and matter of delivery is entered by the officer, director, or other individual who delivered such notice. The notice requirement will be deemed satisfied if an alleged violator appears at the meeting. The minutes of the meeting will contain a written statement of the results of the hearing and the sanction imposed, if any.

18.6 Severability. All provisions of this Master Deed and all of the Regime Documents will be construed in a manner which complies with the Act and South Carolina law to the fullest extent possible. If all or any portion of any provision of this Master Deed or any other Regime Documents will be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability will not affect any other provision hereof or thereof, and such provision will be limited and construed as if such invalid, illegal or unenforceable provision or portion thereof were not contained herein or therein.

18.7 Gender or Grammar. The singular whenever used herein will be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, men or women, will in all cases be assumed as though in each case fully expressed. In addition, the use of the terms "herein" or "hereof" will mean this Master Deed and not merely the Section or paragraph in which such term is utilized.

18.8 Headings. All Section headings are utilized merely for convenience and will not restrict or limit the application of the respective Sections.

18.9 Powers of Attorney. By acceptance of a deed or other conveyance of an interest in a Unit, all Members do hereby grant, and if further required, do agree to vote in a manner to provide to, and to ratify and confirm retention by, Developer of Developer's rights under this Master Deed, including, without limitation, the right to amend this Master Deed in accordance with the provisions hereof. In connection with this voting agreement, each member appoints Developer as proxy for such member with full power of substitution to vote for the member on all such matters on which the member may be entitled to vote, and with respect to which there is a reservation or designation of voting rights in Developer under this Master Deed, and with all powers which the member would possess if personally present at any meeting of members. Such appointment will be, upon acceptance of a deed or other conveyance by the member and without the necessity of further action by the Developer or the member, a power coupled with an interest and will be irrevocable. Such appointment will be effective as of the date on which a deed or other conveyance of an interest to the Member is recorded in the Horry County ROD office. This irrevocable proxy will automatically terminate thirty (30) days after the conveyance in the ordinary course of Developer's business of ninety percent (90%) of the maximum number of Units to be contained in all phases of the Project. The within voting agreement and proxy are in addition to, and not in substitution of, all rights of Developer herein provided, which will run with the land.

18.10 Unit Deeds. In accepting a deed to any Unit, the grantee will be deemed to have accepted and agreed to all terms and conditions contained in this Master Deed and the Exhibits, as amended, and

further agrees to execute any and all documents reasonably requested by the Developer or the Association from time to time to expressly evidence the foregoing.

**SITE PLAN AND FLOOR PLANS**  
**HARBOUR COVE HORIZONTAL PROPERTY REGIME**  
**BUILDING 2**

**NOTE**

Exhibit "B" is a survey showing the location of Buildings 2 and other improvements, and a set of floor plans for Building 2 which shows graphically the dimensions, area and location of each Unit therein, and the dimensions, area and location affording access to each Unit. The plat has been recorded in Plat Book 175 at Page 247, and the floor plans for Building 2 has been recorded in Condominium Cabinet C at Pages 999, Office of the Register of Deeds for Horry County, South Carolina. Said Exhibit further includes the matters set forth below. Exhibit "B" is deemed to include the attached certification letters by The Martin Architectural Group, architect of the above referenced plans, recorded simultaneously herewith, dated March 13, 2001.

Building 2 is three (3) stories in height. The Residential Units in Building 2 are located on the first, second and third floors; the Non-residential Unit is located on the first floor; and the assigned parking garages constituting Limited Common Areas for all Units other than the Non-residential Unit, for which there is no assigned parking, and for the Residential Units in Building 2 numbered 212 and 215 (the Residential Units having parking garages adjacent to and as part of their Units), and numbered 221 and 226 (these last two Residential Units having parking garages below them and as part of their Units) are located on the first floor. Building 2 contains eighteen (18) 2-bedroom Residential Units. Each Unit in Building 2 is individually numbered and described as Units 212, 213, 214, 215, NRU210, 221, 222, 223, 224, 225, 226, 227, 231, 232, 233, 234, 235, 236 and 237.

Except for Residential Units 221 and 226, each of the Units in the Building is a one story flat, each with a separate entrance door off of an interior Building corridor. Each of the Residential Units numbered 221 and 226 is two stories in height, a residential flat over an enclosed garage connected by an interior stair, and also has a separate entrance door off the second floor, interior Building corridor. Each Residential Unit has 2 bathrooms. There are four (4) distinct floor plans for the Residential Units, shown on the floor plans as an "A Unit – the Capri," a "B Unit – the Portofino", a "C Unit – the Corsica," and a "D Unit – the Valencia." Two Residential Units may be labeled as having the same floor plan name and configuration, although two such Residential Units may be mirror configurations of each other. In addition to the bedrooms and baths, all Units consist of a foyer, a kitchen area, living room, dining area and a laundry closet, as well as an open patio or balcony (Limited Common Area). In addition, the Corsica, a C Unit, has a den or study. Each Building has only one (1) Non-residential Unit, located on the first floor and accessed off of an interior corridor. The Non-residential Unit is rectangular in shape and open, with heat, air conditioning and electrical service, but without water and sewer service.

Residential Unit 212, a D Unit, is located on the southwest end of the first floor of Building 2. Residential Unit 215, also a D Unit, is located on the northeast end of Building 2. Residential Units 213 and 214, each a B Unit, are located between Residential Units 212 and 215. The Non-residential Unit, which is shown on the floor plan as NRU 210, is located on the first floor of Building 2 off of a connecting corridor from the Building's main corridor, which leads to such Non-residential Unit and the

Limited Common Area parking garages numbered 214, 234 and 235. Residential Unit 221, a C Unit, is located on the southwest corner of Building 2, and Residential Unit 226, also a C Unit, is located on the northeast corner of Building 2. Residential Units 222, 223, 224 and 225 are located above, and have the identical floor configurations as, Residential Units 212, 213, 214 and 215. Residential Unit 227, an A Unit, is located on the second floor and in the center of the front part Building 2. Residential Units 221, 222, 223, 224, 225, 226 and 227 are located above, and have the identical floor configurations as, Residential Units 221, 222, 223, 224, 225, 226, and 227.

The locations of each Unit and the floor plan thereof is graphically shown on the floor plans of The Martin Architectural Group dated March 8, 2001, and the as-built survey of Engineering and Technical Services, Inc. dated March 23, 2001 shows the ground location of Building 2 and the Common Areas, each of which is and made a part hereof and recorded simultaneously herewith.

As to each Unit: All built-in kitchen appliances, the refrigerator, air conditioner units and condensers and hot water heater located in each Unit are part of the Unit in which they are located and are not Common Areas. The patio or balcony adjacent to each Unit, including the railing thereof, is a Limited Common Area and is subject to restrictions as set forth elsewhere in this Master Deed.

Reference to areas as Common Areas or elements in this exhibit will be in addition to and read in conjunction with the further designations of Common Areas and elements set out in other portions of this Master Deed and the survey and floor plans making up the balance of this Exhibit "B". The asphalt parking areas designated on the as-built survey are Common Areas.

## Exhibit "C"

### Schedule of Assigned Values and Percentage Interests

This is a schedule of Assigned Values and Percentage Interests in the Common Areas appurtenant to Units in The Harbour Cove Horizontal Property Regime, Phase I, and if developed, Phases II through V, inclusive. The Assigned Value is for statutory purposes only and has no relationship to the actual value of each Unit.

Phase I Building 2 Unit Numbers	Statutory Value	Statutory Percentage	Assigned Garage L/C
212	2,000	5.51724%	No L/C
213	2,000	5.51724%	213
214	2,000	5.51724%	214
215	2,000	5.51724%	No L/C
NRU210	250	0.68966%	None
221	2,000	5.51724%	No L/C
222	2,000	5.51724%	222
223	2,000	5.51724%	223
224	2,000	5.51724%	224
225	2,000	5.51724%	225
226	2,000	5.51724%	No L/C
227	2,000	5.51724%	227
231	2,000	5.51724%	231
232	2,000	5.51724%	232
233	2,000	5.51724%	233
234	2,000	5.51724%	234
235	2,000	5.51724%	235
236	2,000	5.51724%	236
237	2,000	5.51724%	237
	36,250	99.99998%	

Buildings 1, 3, 4, and 5, or any of them, may be submitted in any order as Phases II through V of The Harbour Cove Horizontal Property Regime. As each phase is added, the total Assigned Value of all phases submitted and constituting The Harbour Cove Horizontal Property Regime at that time and the Percentage Interest of each Unit may be determined. In determining the Percentage Interest of each Unit, a formula is employed using the Assigned Value of each Unit set forth in this Exhibit "C", as amended for

each phase added, as the numerator and the total Assigned Values of all Units (including the phase being submitted and all phases previously submitted to the Regime) as the denominator. The resulting fraction will then be expressed as a percentage rounded to the nearest .00001. The total Assigned Values assigned to each Building which may be constructed and submitted to the Regime as phases II through V, if constructed and submitted, will be in accordance with the following schedule.

Total Assigned Values in Buildings 2 Submitted Herewith	\$36,250
Total Assigned Values in Building 1	\$36,250
Total Assigned Values in Building 3	\$36,250
Total Assigned Values in Building 4	\$36,250
Total Assigned Values in Building 5	\$36,250
Total Assigned Values of the Project, If All Phases Remaining Are Constructed and Submitted	\$181,250

As an example, if Building 5 composed of eighteen (18) Residential Units and one (1) Non-residential, is added as Phase II, the total Assigned Values in Phase I (\$36,250) would be added to the additional Assigned Values in Phase II (\$36,250), so that, following submission the total Assigned Values in Phases I and II would be \$72,500. To determine the Percentage Interest of Unit 521 if Phase II is added to Phase I and those two (2) phases constitute the entire Regime, the following formula would be used:

$$\frac{\text{ASSIGNED VALUE}}{\text{TOTAL ASSIGNED VALUES}} = \frac{\$ 2,000}{\$ 72,500} = 2.75862\%$$
