BAREFOOT RESORT RESIDENTS' CLUB RULES, GUIDELINES AND POLICIES

The following Rules, Guidelines and Policies have been prepared to assist you as a homeowner to understand your responsibilities in enjoying the Residents' Club facilities. The first few pages outline general rules for the overall use of the Residents' Club followed by specific sections as it relates to the pool, fitness room, and tennis courts, as well as the rental of the Residents' Club.

We hope that your Barefoot experience will be enjoyable and that you will find this information helpful and informative.

Use of Facilities

The Barefoot Resort Residents' Club facilities are an amenity for the exclusive use of the single-family homeowners, their dependents and guests in the Bridle Ridge, Brookstone, Cedar Creek, Coquina Pointe, Leatherleaf, Longbridge, Oak Pointe, Park Hill, Somerset and Sweetbriar communities. Property owners in these neighborhoods will have full use of the club facilities provided their HOA dues are current and they have no unpaid fines.

Residents' Club hours are from 5 am – 12 midnight. The pool & pool deck closes at sunset. All premises, including the parking lot, must be vacated by midnight.

When the Residents' Club is reserved for a private party, the reservation includes the interior of the Clubhouse; therefore, during the time of the rental, there will be no access to the ice machine. The fitness room and bathrooms will remain open but should be accessed through the pool-side doors during this time.

Definition of Guest

The term 'guest' is defined simply as an invited person other than relatives and immediate family members of an eligible single-family homeowner.

There are two types of guests, Temporary and Non-Temporary.

Privileges of 'Temporary' Guest

Guests who are visiting for less than 30 days may use the Residents' Club and its amenities, as well as participate in scheduled activities during their visit. Guests must be accompanied by the resident in order to gain access or use the Residents' Club facilities. If the resident cannot be present, then these guests **MUST BE REGISTERED** with the Lifestyle Director prior to their arrival for each visit. These guests **MUST BE REGISTERED** with the Lifestyle Director prior to attending the activity/event. Failure to register a guest will fall under the 'Repercussions for Non-Compliance' as stated on page 3 of the Rules, Guidelines and Policies booklet. **This includes visitation to the pool.**
