Exhibit "B-24"

SITE PLANS AND FLOOR PLANS THE CLEARWATER BAY HORIZONTAL PROPERTY REGIME

PHASE 31 BUILDING 39

Exhibit "B-24" is composed of a survey showing the location of Building 39 and other improvements, as well as the vertical locations of each floor and the Units located thereon. Exhibit "B-24" also includes a set of floor plans for Building 39, which shows graphically the dimensions, area and location of each Unit in the Building, and the dimensions, area and location affording access to each Unit. The survey for Building 39 has been recorded in Plat Book 253, Page 157 (hereinafter "As-Built"), which is incorporated herein by reference; and the floor plans for Building 39 have been recorded in Condominium Cabinet 253 at Page 158 (hereinafter "Plans"), which are also incorporated herein by reference. Exhibit "B-24" further includes the matters set forth below, and includes the attached Building 39 certification letter dated November 18, 2011 by Miller Design Services, P.A. architect of the Plans.

Building 39 is two (2) stories in height, and contains five (5) Units, each containing a first and second floor. Each Unit in Building 39 is individually numbered and described as Units 3901, 3902, 3903, 3904, and 3905. Each of the Units has three (3) bedrooms.

Each of the Units in Building 39 has a separate entrance door off of an exterior front or side patio (which patio is a Limited Common Element). Units 3901, 3902, 3904, and 3905 have two (2) and one half (1/2) bathrooms, and Unit 3903 has three (3) and one half (1/2) bathrooms. In addition to the bedrooms and bathrooms, all Units include a kitchen area, great or family room, dining and/or breakfast area, laundry closet, loft, and garage. Units 3902 and 3904 also include a storage room. All of the Units except 3902 have sunrooms, each Unit except 3905 also includes a patio area (which is a Limited Common Element) in addition to the front patio entrance area. Unit 3902 has an additional screen porch (which is a Limited Common Element).

The locations of each Unit and the floor plan for Building 39 are graphically shown on the Plans, and the As-Built shows the ground location, the elevations of each floor, and the Common Areas (both General and Limited).

As to each of the foregoing Units: All built-in kitchen appliances, the refrigerator, air conditioner units and condensers and hot water heater located in each Unit are part of the Unit in which they are located and are not Common Elements. All patio/porch areas, including any screens or railings, are Limited Common Elements and subject to restrictions as set forth elsewhere in the Master Deed.

The Developer shall provide to the Association plywood sheets that may be placed over all of the windows in Building 39 in the event of an impending hurricane or storm. As more particularly set forth in Section 4.2 of the Master Deed, the Association shall make such plywood sheets available to each Building 39 Unit Owner in the event the Association does not undertake to install or remove the same.

EXHIBIT "C"

Schedule of Assigned Values and Percentage Interests in the Common Elements

The percentage of each Unit's title and interest in the Common Elements (both General and Limited) which is appurtenant to each Unit, is based on the proportionate value of each Unit to the value of the total Regime as set forth below.

For purposes of the Act, and pursuant to the terms of the Master Deed, the percentage interest appurtenant to each Unit of the Regime shall be established in accordance with the following formula:

$$\frac{V}{A} = P$$

- "P" - Percentage Interest of each Unit
- "V" - Valuation of the Unit set forth
- "A" - Aggregate Valuation of all Units existing in the Regime

Each Unit in the Regime shall have an assigned statutory value of \$2,000.00, resulting in an aggregate statutory valuation (of all Units) of \$222,000.00. Based on the above values, the percentage of undivided interest in the Common Elements appurtenant to each Unit in the Regime is set forth below:

The aggregate statutory valuation of the Regime for all future phases shall be \$156,000.00, which, if added to the existing aggregate valuation (\$222,000.00), shall result in a total statutory value for Clearwater Bay of \$378,000.00. In the event the Developer elects to expand the Regime as provided herein, the percentage interests of each Unit may be adjusted in accordance with the formula set forth above.

By way of example, if the Regime is expanded to include an additional 3 Units, each having an assigned statutory valuation of \$2,000.00, the total assigned value for the Regime would be increased by \$6,000.00, for a total assigned value amount of \$228,000.00. The percentage interests of each Unit would then be adjusted in accordance with the formula provided above:

$$\frac{V = \$2,000}{A = \$228,000} \quad P = 0.8772\%$$
