THE HAVENS HORIZONTAL PROPERTY REGIME

PHASE XIX

BUILDING 13

NOTE

Golf Villas Building 13 is three stories in height. Building 13 contains twelve (12) 2-bedroom Residential Units. The Residential Units are located on the first, second and third floors; one (1) Non-residential Unit is located on each of the first, second and third floors. Each Unit in Building 13 is individually numbered and described as Units 1311, 1312, 1313, 1314, NRU1310, 1321, 1322, 1323, 1324, NRU1320, 1331, 1332, 1333, 1334, and NRU1330.

Each of the Units in Building 13 is a one-story flat with a separate entrance door off of an exterior, common landing. Each two-bedroom Residential Unit has two bathrooms and has the same floor plan configuration, although two such Residential Units may be mirror configurations of each other. In addition to the bedrooms and baths, all Residential Units consist of a foyer, a kitchen area, living room, dining area and a laundry closet, as well as an open patio or balcony (Limited Common Area).

Residential Unit 1311 is located on the southeast end of the first floor of Building 6. Residential Unit 1314 is located on the northwest end of Building 13. Residential Units 1312 and 1313 are located between Residential Units 1311 and 1314. Residential Units 1321, 1322, 1323 and 1324 are located above, and have the identical floor configurations as, Residential Units 1311, 1312, 1313 and 1314. Residential Units 1331, 1332, 1333 and 1334 are located above, and have the identical floor configurations as, Residential Units 1321, 1322, 1323 and 1324. The first floor Non-residential Unit is shown on the floor plan as NRU1310, and is located off of an exterior common landing adjacent to Residential Unit 1311. The second and third floor Non-residential Units are numbered NRU1320 and NRU1330, respectively, and are each located off of an exterior common landing adjacent to Residential Units 1321 and 1331, respectively.

The locations of each Unit and the floor plan for Resort Villas Building 13 are graphically shown on the floor plans of Miller Design Services, P.A. dated June 22, 2006. The as-built survey of Engineering and Technical Services, Inc. dated June 23, 2006 shows the ground location of Resort Villas Building 13, the elevations of each floor of the Building, and the Common Areas, which as-built survey is made a part hereof and recorded simultaneously herewith.

As to each Unit: All built-in kitchen appliances, any refrigerator, air conditioner units and condensers and hot water heater located in each Unit are part of the Unit in which they are located and are not Common Areas. The entry stoop, patio or balcony adjacent to each Unit, including the railing thereof, is a Limited Common Area and is subject to restrictions as set forth elsewhere in this Master Deed.

The Developer shall provide to the Association plywood sheets that may be placed over all of the windows in Building 13 in the event of an impending hurricane or storm. The Association shall make such plywood sheets available to each Building 13 Owner in the event of such impending hurricane or storm and if the Association is not to undertake such installation and removal, which the Association is not otherwise obligated to undertake as further provided in Section 4.2 of the Master Deed to which this Exhibit is attached and incorporated by reference. Unless specifically provided in this Exhibit "B" or any amendment or addition to this Exhibit for future phases and as may be required by law, the Developer shall not be obligated to provide plywood sheets or other hurricane covering for windows in the Regime's Buildings, other than is covenanted to be provided for Building 13, as herein stated.

Reference to areas as Common Areas or elements in this paragraph will be in addition to and read in conjunction with the further designations of Common Areas and elements set out in other portions of this Master Deed and the survey and floor plans making up the balance of this Exhibit "B-18". The asphalt parking areas designated on the as-built survey are Common Areas.

Exhibit "C"

Schedule of Assigned Values, Percentage Interests in the Common Elements, and Number of Association Votes

This is a schedule of Assigned Values, Percentage Interests in the Common Areas, and Number of Association Votes appurtenant to Units in The Havens Horizontal Property Regime, Phases I-XIX, and if developed, as many as 6 additional Phases. The Assigned Value is for statutory purposes only and has no relationship to the actual value of a Unit.

Buildings 8, 9, 11, 12, 19 and 25, or any of them, may be submitted in any order as Phases XX through XXV of The Havens Horizontal Property Regime. As each phase is added, the total Assigned Value of all phases submitted and constituting The Havens Horizontal Property Regime at that time and the Percentage Interest of each Unit may be determined. In determining the Percentage Interest of each Unit, a formula is employed using the Assigned Value of each Unit set forth in this Exhibit "C", as amended for each phase added, as the numerator and the total Assigned Values of all Units (including the phase being submitted and all phases previously submitted to the Regime) as the denominator. The resulting fraction will then be expressed as a percentage rounded to the nearest .00001. The total Assigned Values assigned to each Building, as well as those that may be constructed and submitted to the Regime as Phases XX through XXV, if constructed and submitted, will be in accordance with the following schedule.

As an example, if Building 11, composed of 18 Residential Units and 1 Non-residential Unit, is added as Phase XX, the total Assigned Values in Phases I – XIX (\$567,015) would be added to the additional Assigned Values in Phase XX (\$56,360), so that, following submission the total Assigned Values in Phases I – XX would be \$623,375.00. To determine the Percentage Interest of Unit 1114 in Resort Villa Building 11 if Phase XX is added to Phases I – XIX and those phases constitute the entire Regime, the following formula would be used:

ASSIGNED VALUE	<u>\$ 3,120</u>	-projekte Njejevije	0.50050%
TOTAL ASSIGNED VALUES	\$623,375
