Exhibit "C"

Schedule of Assigned Values, Percentage Interests in the Common Elements, and Number of Association Votes

This is a schedule of Assigned Values, Percentage Interests in the Common Areas, and Number of Association Votes appurtenant to Units in The Havens Horizontal Property Regime, Phases I – XXII, and if developed, as many as 4 additional Phases. The Assigned Value is for statutory purposes only and has no relationship to the actual value of a Unit.

Buildings 9, 11 and 25, or any of them, may be submitted in any order as Phases XXIII through XXV of The Havens Horizontal Property Regime. As each phase is added, the total Assigned Value of all phases submitted and constituting The Havens Horizontal Property Regime at that time and the Percentage Interest of each Unit may be determined. In determining the Percentage Interest of each Unit, a formula is employed using the Assigned Value of each Unit set forth in this Exhibit "C", as amended for each phase added, as the numerator and the total Assigned Values of all Units (including the phase being submitted and all phases previously submitted to the Regime) as the denominator. The resulting fraction will then be expressed as a percentage rounded to the nearest .00001. The total Assigned Values assigned to each Building, as well as those that may be constructed and submitted to the Regime as Phases XXIII through XXV, if constructed and submitted, will be in accordance with the following schedule.
