BALLENT V. SKIPPER
REGISTRAR OF DEEDS
TWENTY-THIRD AMENDMENT TO
MASTER DEED OF THE HAVENS
HORIZONTAL PROPERTY REGIME

THIS TWENTY-THIRD AMENDMENT TO MASTER DEED OF THE HAVENS HORIZONTAL PROPERTY REGIME (the "Twenty-third Amendment" is made this 14th day of September, 2006, by Centex Homes, a Nevada general partnership, hereinafter called "Developer."

W I T N E S S E T H:

WHEREAS, the Developer, by "Master Deed of The Havens Horizontal Property Regime", recorded January 6, 2006 in the Office of Recorder of Deeds for Horry County in Book 3032 at Page 35 (hereinafter referred to as the "Master Deed"), created a horizontal property regime upon certain property situate in Horry County, South Carolina; and

WHEREAS, pursuant to Article 14, Section 14.2 of the Master Deed, the Developer retained the right to expand the Regime by constructing additional Units on any portion of the Common Area previously submitted to the Regime; and

WHEREAS, Developer desires to amend the Master Deed to submit to the Regime additional Units it has constructed.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that the Developer does hereby exercise its right under the Master Deed to expand the Regime by adding as Phase XXIII thereto one (1) Building, known as Resort Villas Building 9, such Building containing eighteen (18) 2-bedroom Residential Units and one (1) Non-residential Unit, which shall be held, transferred, sold, conveyed, given, donated, leased and occupied subject to the Master Deed, as amended by this Twenty-third Amendment, and shall be held, transferred, sold, conveyed, given, donated, leased and occupied subject to the covenants, restrictions, conditions, easements and affirmative obligations set forth therein, and as further amended hereby, and does further declare as follows

I. Definitions. The words used in this Twenty-third Amendment, unless the context shall clearly indicate otherwise, shall have the same meanings as set forth in the Master Deed.

II. Addition of Building 9 as Phase XXIII. Exhibit "B" to the Master Deed is hereby amended by the addition thereto of Exhibit "B-22" attached hereto and made a part hereof by this reference, and the Plans of the Regime shall include the site plans and floor plans for Building 9 recorded simultaneously herewith, as referred to in Exhibit "B-22."

III. Amendment of Exhibit "C". Exhibit "C" to the Master Deed, the schedule of "Schedule of Assigned Values and Percentage Interests" for the Regime, is deleted in its entirety; and a new Exhibit "C" which is attached hereto and made a part hereof by this reference, shall be substituted therefor.

3165-1181

IN WITNESS WHEREOF, the Developer has caused this TWENTY-THIRD AMENDMENT TO MASTER DEED OF THE HAVENS HORIZONTAL PROPERTY REGIME to be executed the day and year first above written.

Exhibit "B-22"

SITE PLANS AND FLOOR PLANS

THE HAVENS HORIZONTAL PROPERTY REGIME

PHASE XXIII

BUILDING 9

NOTE

Exhibit "B-22" is composed of a survey showing the location of Building 9 and other improvements, as well as the vertical locations of each floor and the Units located thereon. Exhibit "B-22" also includes a set of floor plans for Building 9, which shows graphically the dimensions, area and location of each Unit in the Building, and the dimensions, area and location affording access to each such Unit. The survey for Building 9 has been recorded in Plat Book 217 at Page 141. The floor plans for Building 9 have been recorded in Condominium Cabinet G at Page 95. Exhibit "B-22" further includes the matters set forth below, and includes the attached Building 9 certification letter by Miller Design Services, P.A., architect of the above referenced plans, dated September 1, 2006 and recorded herewith.

Resort Villas Building 9 is three stories in height. The Residential Units are located on the first, second and third floors; the Non-residential Unit is located on the first floor; and the assigned parking garages constituting Limited Common Areas for all Units other than the Non-residential Unit, for which there is no assigned parking, and for the Residential Units in Building 9 numbered 0912 and 0915 (the said Residential Units having garages immediately adjacent to and a part of their Units), and numbered 0921 and 0926 (these last two Residential Units having parking garages below them at ground level and a part of their Units) are located on the first floor. Building 9 contains eighteen (18) 2-bedroom Residential Units. Each Unit in Building 9 is individually numbered and described as Units 0912, 0913, 0914, 0915, NRU0910, 0921, 0922, 0923, 0924, 0925, 0926, 0927, 0931, 0932, 0933, 0934, 0935, 0936 and 0937.

Except for Residential Units 0921 and 0926 in Resort Villas Building 9, each of the Units is a one story flat, each with a separate entrance door off of an interior Building corridor. Each of the Residential Units numbered 0921 and 0926 is two stories in height; a residential flat over an enclosed garage connected by an interior stair, and also has a separate entrance door off the second floor, interior Building corridor. Each Residential Unit has 2 bathrooms. There are four (4) distinct floor plans for the Residential Units in Residential Building 9, shown on the floor plans as an "A Unit - the Capri," a "B Unit - the Portofino", a "C Unit - the Corsica," and a "D Unit - the Valencia." Two Residential Units may be labeled as having the same floor plan name and configuration, although the two Residential Units may be mirror configurations of each other. In addition to the bedrooms and baths, all Residential Units consist of a foyer, a kitchen area, living room, dining area and a laundry closet, as well as an open patio or balcony (Limited Common Area). In addition, the Corsica, a C Unit, has a den or study. Building 9 has only one (1) Non-residential Unit, located on the first floor and accessed off of an interior corridor. The

Non-residential Unit is rectangular in shape and open, with heat, air conditioning and electrical service, but without water and sewer service.

Residential Unit 0912, a D Unit, is located on the northeast end of the first floor of Resort Villas Building 9. Residential Unit 0915, also a D Unit, is located on the southwest end of Resort Villas Building 9. Residential Units 0913 and 0914, each a B Unit, are located between Residential Units 0912 and 0915. The Non-residential Unit, which is shown on the floor plan as NRU0910, is located on the first floor of Resort Villas Building 9 off of a connecting corridor from the Building's main corridor, which leads to such Non-residential Unit and the Limited Common Area parking garages numbered 0914, 0934 and 0935. Residential Unit 0921, a C Unit, is located on the northeast corner of the second floor of Building 9, and Residential Unit 0926, also a C Unit, is located on the southwest corner of the second floor of Building 9. Residential Units 0922, 0923, 0924 and 0925 are located above, and have the identical floor configurations as, Residential Units 0912, 0913, 0914 and 0915. Residential Unit 0927, an A Unit, is located on the second floor and in the center of the front part of Resort Villas Building 9. Residential Units 0931, 0932, 0933, 0934, 0935, 0936 and 0937 are located above, and have the identical floor configurations as, Residential Units 0921, 0922, 0923, 0924, 0925, 0926, and 0927.

The locations of each Unit and the floor plan for Resort Villas Building 9 are graphically shown on the floor plans of Miller Design Services, P.A. dated August 9, 2006. The as-built survey of Engineering and Technical Services, Inc. dated August 3, 2006 shows the ground location of Resort Villas Building 9, the elevations of each floor of the Building, and the Common Areas, which as-built survey is made a part hereof and recorded simultaneously herewith.

As to each Unit: All built-in kitchen appliances, any refrigerator, air conditioner units and condensers and hot water heater located in each Unit are part of the Unit in which they are located and are not Common Areas. The entry stoop, patio or balcony adjacent to each Unit, including the railing thereof, is a Limited Common Area and is subject to restrictions as set forth elsewhere in this Master Deed.

The Developer shall provide to the Association plywood sheets that may be placed over all of the windows in Building 9 in the event of an impending hurricane or storm. The Association shall make such plywood sheets available to each Building 9 Owner in the event of such impending hurricane or storm and if the Association is not to undertake such installation and removal, which the Association is not otherwise obligated to undertake as further provided in Section 4.2 of the Master Deed to which this Exhibit is attached and incorporated by reference. Unless specifically provided in this Exhibit "B" or any amendment or addition to this Exhibit for future phases and as may be required by law, the Developer shall not be obligated to provide plywood sheets or other hurricane covering for windows in the Regime's Buildings, other than is covenanted to be provided for Building 9, as herein stated.

Reference to areas as Common Areas or elements in this paragraph will be in addition to and read in conjunction with the further designations of Common Areas and elements set out in other portions of this Master Deed and the survey and floor plans making up the balance of this Exhibit "B-22". The asphalt parking areas designated on the as-built survey are Common Areas.

ARCHITECT'S CERTIFICATION LETTER
Attached Hereto

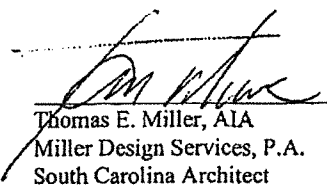

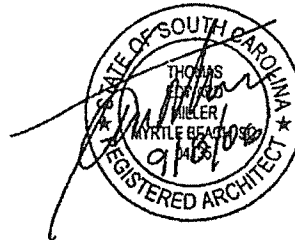

Brian F. Kernaghan, Esq.
Nexsen Pruet Jacobs Pollard & Robinson, LLC
2411 N. Oak Street, Suite 105
Myrtle Beach, SC 29577

Re: The Havens Primary, Building No. 9

This letter is to serve as the Architect's Certification for the above referenced project as requested by you for attachment to the Master Deed.

The undersigned Architect, registered to practice in the State of South Carolina, certifies that these documents reflect, to the best of the Architect's knowledge, information and belief, the observable and accessible configuration of the structures. They show floor plans prior to Owner upgrades and elevations of the building, and graphically show the dimensions, area and location of the common elements affording access to each apartment.
