SITE PLANS AND FLOOR PLANS

THE HAVENS HORIZONTAL PROPERTY REGIME

PHASE IX

BUILDING 17

* NOTE

Exhibit "B-8" is composed of a survey showing the location of Building 17 and other improvements, as well as the vertical locations of each floor and the Units located thereon. Exhibit "B-8" also includes a set of floor plans for Building 17, which shows graphically the dimensions, area and location of each Unit in the Building, and the dimensions, area and location affording access to each such Unit. The survey for Building 17 has been recorded in Plat Book 212 at Page 195. The floor plans for Building 17 have been recorded in Condominium Cabinet F at Page 132. Exhibit "B-8" further includes the matters set forth below, and includes the attached Building 17 certification letter by Miller Design Services, P.A., architect of the above referenced plans, dated February 27, 2006 and recorded herewith.

Golf Villa Building 17 is three stories in height. Building 17 contains twelve (12) 2-bedroom Residential Units. The Residential Units are located on the first, second and third floors; one (1) Non-residential Unit is located on each of the first, second and third floors. Each Unit in Building 17 is individually numbered and described as Units 1711, 1712, 1713, 1714, NRU1710, 1721, 1722, 1723, 1724, NRU1720, 1731, 1732, 1733, 1734, and NRU1730..

Each of the Units in Building 17 is a one-story flat with a separate entrance door off of an exterior, common landing. Each two-bedroom Residential Unit has two bathrooms and has the same floor plan configuration, although two such Residential Units may be mirror configurations of each other. In addition to the bedrooms and baths, all Residential Units consist of a foyer, a kitchen area, living room, dining area and a laundry closet, as well as an open patio or balcony (Limited Common Area).

Residential Unit 1711 is located on the southeast end of the first floor of Building 6. Residential Unit 1714 is located on the northwest end of Building 6. Residential Units 1712 and 1713 are located between Residential Units 1711 and 1714. Residential Units 1721, 1722, 1723 and 1724 are located above, and have the identical floor configurations as, Residential Units 1711, 1712, 1713 and 1714. Residential Units 1731, 1732, 1733 and 1734 are located above, and have the identical floor configurations as, Residential Units 1721, 1722, 1723 and 1724. The first floor Non-residential Unit is shown on the floor plan as NRU1710, and is located off of an exterior common landing adjacent to Residential Unit 1711. The second and third floor Non-residential Units are numbered NRU1720 and NRU1730, respectively, and are each located off of an exterior common landing adjacent to Residential Units 1721 and 1731, respectively.

The locations of each Unit and the floor plan for Golf Villa Building 17 are graphically shown on the floor plans of Miller Design Services, P.A. dated February 24, 2006. The as-built survey of Engineering and Technical Services, Inc. dated March 16, 2006 shows the ground location of Golf Villa Building 17, the elevations of each floor of the Building, and the Common Areas, which as-built survey is made a part hereof and recorded simultaneously herewith.

As to each Unit: All built-in kitchen appliances, any refrigerator, air conditioner units and condensers and hot water heater located in each Unit are part of the Unit in which they are located and are not Common Areas. The entry stoop, patio or balcony adjacent to each Unit, including the railing thereof, is a Limited Common Area and is subject to restrictions as set forth elsewhere in this Master Deed. *

The Developer shall provide to the Association plywood sheets that may be placed over all of the windows in Building 17 in the event of an impending hurricane or storm. The Association shall make such plywood sheets available to each Building 17 Owner in the event of such impending hurricane or storm and if the Association is not to undertake such installation and removal, which the Association is not otherwise obligated to undertake as further provided in Section 4.2 of the Master Deed to which this Exhibit is attached and incorporated by reference. Unless specifically provided in this Exhibit "B" or any amendment or addition to this Exhibit for future phases and as may be required by law, the Developer shall not be obligated to provide plywood sheets or other hurricane covering for windows in the Regime's Buildings, other than is covenanted to be provided for Building 17, as herein stated.

Reference to areas as Common Areas or elements in this paragraph will be in addition to and read in conjunction with the further designations of Common Areas and elements set out in other portions of this Master Deed and the survey and floor plans making up the balance of this Exhibit "B-8". The asphalt parking areas designated on the as-built survey are Common Areas.

Exhibit "C"

Schedule of Assigned Values, Percentage Interests in the Common Elements, and Number of Association Votes

This is a schedule of Assigned Values, Percentage Interests in the Common Areas, and Number of Association Votes appurtenant to Units in The Havens Horizontal Property Regime, Phases I – IX, and if developed, as many as 16 additional Phases. The Assigned Value is for statutory purposes only and has no relationship to the actual value of a Unit.

Buildings 5, 7 through 16, and 19, 20, 22, 24 and 25, or any of them, may be submitted in any order as Phases X through XXV of The Havens Horizontal Property Regime. As each phase is added, the total Assigned Value of all phases submitted and constituting The Havens Horizontal Property Regime at that time and the Percentage Interest of each Unit may be determined. In determining the Percentage Interest of each Unit, a formula is employed using the Assigned Value of each Unit set forth in this Exhibit "C", as amended for each phase added, as the numerator and the total Assigned Values of all Units (including the phase being submitted and all phases previously submitted to the Regime) as the denominator. The resulting fraction will then be expressed as a percentage rounded to the nearest .00001. The total Assigned Values assigned to each Building that may be constructed and submitted to the Regime as Phases X through XXV, if constructed and submitted, will be in accordance with the following schedule.

Phases Remaining Are Constructed and Submitted \$ 846,980.00

As an example, if Building 11, composed of 18 Residential Units and 1 Non-residential Unit, is added as Phase X, the total Assigned Values in Phases I – IX (\$246,250) would be added

to the additional Assigned Values in Phase X (\$56,360), so that, following submission the total Assigned Values in Phases I – X would be \$306,625.00. To determine the Percentage Interest of Unit 1114 in Resort Villa Building 11 if Phase X is added to Phases I – IX and those phases constitute the entire Regime, the following formula would be used:

$$\frac{\text{ASSIGNED VALUE}}{\text{TOTAL ASSIGNED VALUES}} = \frac{\$ 3,120}{\$306,625} = 1.03098\%$$
